9 Todin is gifted and has won four out of eight starts this year. Failed as a big favorite in the last run though (had to pen very fast and gave up at the end). Back row draw now and faces good opponents. Our pick but not a banker. 3 Nårje is very good every now and then. He scored a nice victory in the V75 on Bollnäs on September 11. 7 Finnskog Nox has good speed and he has shown strong form lately. Deserves a victory and could score it here. 2 Vertigo Dominant won in the lead two starts back and showed the right attitude. Has to be considered.

7 Six O'Clock News has started eight times for new trainer Hamre and won five out of them. Was fourth in the last run and a bit too fiery in the lead. This short distance certainly suits the horse well. 1 Jaipur B.R. won easily in the lead five starts back and finished to a nice victory in the last run. Early choice. 2 Aksel Pedro won easily in the last run and scored a good second spot three starts back. Early contender. 3 Gone With The Wine resumes from a spell. 5 Månlykke A.M. has convinced a lot. Got a tough journey on the outside in the last run but when Gunnar Melander attacked on the far stretch they won easily. 6 Søndre Jerkeld showed good form in the last run. Attacked with 750 meter to go then and won easily at the end. 8 Ulsrud Tea has not won since July. The 14-year-old mare should never be discounted though. 3 Troll Solen was in full control in the lead in the last run. Nice number again.

11 Mateo de Reve did not convince under the saddle two starts back but has otherwise put in strong efforts lately. This long distance is an advantage. We think he has a good chance to finish to victory here. 5 Funny Boy showed good form in the last run a bit behind the winner. Uses to meet quite tough horses and has to be considered. 6 C Nu Gilbak is consistent and good. Faces tougher opponents now but has good place chance. 4 Easy Winner is in good shape and quick pace would be an advantage. Outsider in that case.

4 Ble du Gers was a non-starter a short while ago but is working well again. This distance is not an advantage but he has become fast the last couple of years. Can finish strongly. 1 Floris Baldwin resumed from a longer pause in the last run. Put in quite a good effort then and is well drawn behind the gate here. 5 Stoletheshow makes his debut for Frode Hamre. Is good for this class and will be interesting to follow here. 3 Always On Time has been consistent and good and this distance is the right one.

5 Global Brilliance started last Saturday and just kept up the pace then. Prefers to run in front and should normally have a good chance here. 7 Global Bred to Win won the Norwegian Derby for fillies three starts back. Is a top horse but the form might not be as good as then. Should be considered early anyway. 4 Miss Pepper has scored four straight wins in the lead. Tougher opponents now but is possible again. 3 Himalaya Sisu got locked in with energy left two starts back. Nice number and an outsider here.

11 Run To You is our pick in this open race. Has won six out of seven starts this year and showed two starts back that he is good from the back too. 6 Calmass is chasing the fifth win in a row. Has won easily lately and could set a new record here. 3 Gentletron is better drawn than in the last races. Has developed well this season and should not be discounted here either. 10 Present Tile uses to be in the mix. Needs some racing luck with this number and will defeat many opponents at the end then.

8 Kræsja comes from victory in the Norwegian Derby. Has been a non-starter after that and poor number eight over the short distance now. Not an easy task but he has ten wins in 14 starts so far. 4 Fetlock Joint scored a splendid victory on September 18 and he would be interesting to see in the lead here. 1 Coventry Hall won Sprintermästaren on Billund two starts back. Has had a lot of problems this season and only started five times. 5 Toto Barosso won a bigger race in Germany two starts back after a very fast finish.

1 Park View was unlucky behind a tired opponent in the last run. Opened fast with this number one on Bjerke on October 12. Could lead this throughout. 2 Z. Boko is consistent and good. Had got a short break before the last run and should be improved now. Early contender if he stays calm. 3 Pere Ubu found a late opening on Jägersro on October 30 and was not empty at the end. Won the last time driven by Stefan Persson. Should be followed here. 9 Mister Donald would have been in the mix two starts back if he had not galloped with 200 meter to go. Outsider.
