4 Googoo Gone has been performing well for a long time. He faces nice conditions here and from a good lane he can also open fast, maybe all the way to the lead, which would increase his chances, although it is not a must. **3 Diplomacy** is fast enough to take the initial lead. He has not started since February but has high potential. **1 Easter Girl** has shown speed resources and should be considered early in this field. **7 Fashionated** has the capacity to win if the form is right.

4 Max Montana won in the V75 in convincing style at the end of August. Has met tough opponents after that and here Persson's 4-year-old steps down considerably in class and with tight starts his form should be further improved. **11 Gliding Eagle** didn't show anything special in the comeback but should be a lot better now with that run under his belt. **5 In Real Life** needs a nice defensive trip and uses to sprint very fast then. **7 Make A Mil** comes in good form and can do it tough as well.

7 Loudandclear Sisu has started relatively late but it was worth the wait and he delivered a very good effort despite a five month layoff before the last race. With that run under his belt his form should be much improved even though he has been a scratch afterwards. **8 Krut** has been on the podium in all his starts and is developing strongly. **10 Handfulofdollar** has been on a long break, but is talented and will be interesting to follow. **3 No Moore Z.A.R.** is a quick starter and won easily from the lead in his only career victory.

D'artagnan Face has very high capacity for this class but is not always reliable. Owns great strength and this long distance should therefore be an advantage if he just stays calm along the way. **3 Pearl Di Quattro** has found the right level at the end and been successful. Fine form! **7 Sir Heartbreaker** showed good capacity as a 3-year-old and was tested in an elimination heat to Kriteriet. **1 Lepshij** has been finishing strongly a bit behind the winner and got locked in last time with plenty of energy left.

5 Gargamel didn't convince in his debut for Westholm and also galloped from the start in the last race. He came back well though and won easily. Good chance without a mistake. **7 Sangsvik Lynet** has good capacity. Makes his debut for this trainer but the form should hardly have been affected. Early challenger. **6 Franko M.R.** has scored three convincing wins in a row. Belongs to a stable in fine form and is an early choice again. **10 Vimo Borken** was strong in the last race and likes to race on Swedish soil.
