Summary: VICTORY FOLIE (4) has produced some solid efforts this year and barring that one blip a few starts back, her current form is very useful and she could get it right. CALA ROSSA (11) is still a maiden but has the right credentials to land a massive blow in this contest and could get that maiden win out the way with a bit of luck. SCHUMAN (5) needs to be forgiven for an under par latest effort and when judged on prior form, he will be a serious player for top honors. CAMBREMER (12) has the right numerical figures and will be very competitive once again.

Summary: IMAYA (12) possessed a solid third over the distance in her last outing and looks to have her weapons ready to conquer this field. She is the top vixen to beat. HALL OF FAME (3) and KAOUASAKI (5) knocked each other in their last attempt back at Chantilly over the trip. Both candidates will be in search to polish up on their current form and continue their improvement. MA TORNADE (2) has not tasted winning success yet but deserves some serious consideration in a division of this manner.
