3 I've Got Pepper now steps down in class, has been drawn to a nice lane and can open quickly behind the gate. He prefers to run in the front where the five career victories have been taken. **9 Magical Survivor** failed from the lead last time. This time he will attack from behind and is seen with a good chance of challenging. **12 Mr Midnight** has shown good form for a long time without winning. **5 Infinite Mass** showed good capacity as a three-year-old and goes under the radar here.

2 Vinnas Oberon is not reliable, but the speed he has shown between gallops is superior to this company. **10 Vännfors Sessan**, returns after a break, but she is good enough to fight for victory here. **12 Almas Turmalina** has good speed and has an interesting number with this handicap. **1 Guldhagens Prins** has been drawn to a perfect number and gets Ove A Lindqvist in the sulky for the first time.

3 The Orlando Whitesox has impressed on the ice track and comes with two straight victories. From the front he should have a good chance to win over the short distance. **2 Hjalmar Xpress** has impressed and taken two straight victories from outside the leader. **9 Västerbo Kid** is one of the better horses in this field and in case of high pace, the seven-year-old should be followed here. **1 Ice Cold Beer** can open fast and could find the back of the leader, which is often a favorable position.

13 Brida finished well last time and the time before she won the hard way against easier opponents. She likes to race on the ice and has shown good form. Interesting draw too. **4 Al's Successor** scored a good victory two starts back and faces nice conditions in the first circle. **10 So Chic** held well as third behind tough horses in Boden and faces easier opponents now. **14 Staro Playmate** comes from a strong win and should be considered early despite this draw.

2 Öygard Pål should start relatively well and be in the front immediately. He faces nice conditions money-wise and will normally be difficult to reach. **6 Fyrkrafs** can do it tough and of course benefits from the fact that it is not a full field. **1 Tåga Storm** likes to run at a steady pace in the lead, so the conditions could not have been better. **3 Nygaards Solan** would prefer a nice defensive trip in front and could be dangerous with some racing luck.

Should be considered early behind the favorite. **8 Power Blaster** is back for a new trainer, likes to compete on the ice and is an early pick. **6 Henessi Walk** will certainly need this race under his belt but was good directly last time after a long break.

3 Apeman galloped in second on the outside in the last turn in the last run and had energy left. The horse is very quick from the start and the favorite to find the lead. **4 Mas Gunnar** has won five out of six races without a mistake and has shown good speed resources. However, at the same time he is not reliable. **10 Governor Hoss** was close to winning from the front in his comeback. He has to capacity to finish to victory. **8 Justpaymybills** has won half of his starts and is an early contender despite this draw.
