7 Zenit Sunshine got a nice trip in the last race and won easily at the end. Despite this starting position, the filly should still have the best chance to win this race. **8 Fabulous D'Arc** is often in the mix and even though he hasn't started since September, he shouldn't be discounted here. **5 Capax H.** is consistent and good and an early contender with the perfect journey. **6 Lucky Sun Shine** doesn't win very often but has a run under the belt and shouldn't be underestimated.

9 Lodins Gjenstridige has won two of the last three starts and is in top form. Good chance to finish to another win. **12 Propell** took a shared win in the last race after a perfect trip and that was the first of his career. Good for this company and will fight for victory again. **11 Ingvill** comes from a shared victory with Propell, but is now 20 meter behind. **1 Januar** scored a good win three starts ago and if he finds the lead now he could be in the mix.

2 Valle Fia gave up at the end in the last race and probably needed that run to find form. The starting position is appealing and she should have a good chance of winning. **1 Sundby Seira** has three runs under her belt and is starting to approach top form. Will get a nice trip from here and has to be considered early. **5 Fjonefaksen** galloped in the last race but is normally reliable. In the mix here. **8 T.C. Lotta** is consistent and could challenge for victory with the right journey.

4 Bølla U.N. scored a comfortable victory in the last race. In terms of capacity, the mare is good for this race and should top chance of winning. **3 Kos Loke** is often on the podium. Good draw and is reliable. He should be the main challenger to our pick. **10 Gjøndina** had two gallops in her comeback. Has nice speed resources and can surprise without a mistake. **7 Tidemann** did well as second in the last race after an inside trip and is at least a place bet here.
