13 Austvass Lykke has done really well during the winter and been successful. She faces tough conditions money-wise, but is good for this class anyway. Our pick. **11 Hola Jerven** has two wins in a row. He is not completely reliable but without a mistake he should have a good chance together with Marcus Totland Aadland. **7 Langlands Eowyn** was 20 meter ahead of Austvass Lykke in the last race but was still behind him over the finish. Can do better. **6 Våler Lill** makes is quite consistent when avoiding a mistake.

Is not used to this discipline, but the opposition is quite mediocre. **5 Bitcoin Face** is consistent and good, but doesn't win very often.

8 Spang Sirius is very consistent and good, which means a lot in this type of races. He has shown good skills time and time again and with the right trip from this handicap, he should have a good chance of winning. **3 Polar Perla** is as good as Spang Sirius and she has also a 20 meter advantage, but she is very up and down and has not convinced lately. Possible if improved. **2 Dalstad Ask** makes his debut for a new trainer. Possible. **5 Alsaker Åstin** is a place bet.

He won nicely in the last race and has been matched against good horses. **5 Day To Make Love** returns after a layoff. Has good capacity.
