2 Snowfoot is undefeated so far after two convincing wins. This 1600dt suits the horse perfectly. Good chance to win despite one kilo handicap. 3 Falkor was third and just closely beaten by Snowfoot in the last race. One kilo up now and is ridden by Elione Chaves against just like when the horse won the debut. 5 High Peak is an import who has won on turf but he handles the all weather track too. Early contender in this Swedish debut. 4 Clapper was heavily back after a convincing win in the debut but got defeated. Is ridden with side blinkers today. Possible challenger.

2 Scytale has not won yet after seven attempts but has put in a couple of good efforts. Our pick in this tricky Maiden race. 1 Laoch Liath is not bad either and this jockey is an advantage. Early contender with this perfect number. 6 Skyler has already run twelve races and should be considered early in this company. 7 Winchester will certainly get an offensive ride. Is strong and Elione Chaves is very interesting. Possible in case of quick pace.

4 Stolen Tango has been successful over these conditions and uses to do well after a pause. Good chance to reach the front here. Could lead this from start to finish. Banker. 1 Hypochondriac is quite speedy but very up and down too. Nice number and early contender. 7 Double Cash is good for this class and these conditions are perfect. Apprentice now and possible if well prepared. 3 Fury The Bullet probably prefers the green surface. Has done quite well on dirt too though and Elione Chaves is an advantage.

8 Lady Of Jazz scored a very strong victory over these conditions and was good in the race after too over unusual 1600 dt. Our pick. 4 Swinging Of Venice got defeated in the last race after a couple of wins. This 2350 dt is an advantage though. Main challenger. 5 Zäta will go for the lead and keep up the pace. Should not be overlooked if she is at her best. 1 Saltie Girl prefers turf but is quite good on dirt too. This apprentice claims three kilo off. Typical outsider.
