2 Bronen has started with two consecutive wins in convincing style, a very talented trotter. Can probably break the record by a good margin if needed, is the top pick. 6 Mjölner Järven is a capable opponent who has made mistakes lately. Returns after a break now, can challenge for the win. 9 Aske Faks finished decently to third last time at Färjestad and won two straight races before that, must be ranked quite high. 7 M.C.Odina is a fairly fast trotter who has got under her belt a race after a break, gets Goop in the sulky here.

7 J.S.Camaro is still waiting for his first win, but has shown good potential. Finished fourth last time (in his seasonal debut) and had energy left. 1 Finally N.O. won for the first time in his career on the eighth attempt, coming from behind the leader. Early contender here. 2 Maradona Boko has been a bit up and down and is not completely reliable, but if he performs at his best, he could win. 5 Believe is a fairly capable trotter who set a new record directly after a break last time out, and should be considered.

2 Ingbass is chasing his third consecutive win, having won both of his starts this year and boasting a record of five wins in nine attempts. Top chance. 3 Prins Villiam has won seven of his 18 starts. He took the lead after just over 500 meters in his last race and won easily. 5 Svein Frost hasn't started in a while and has a poor record. However, he's a fast trotter and should be considered early on. 4 Stjärnviking is not reliable, but has a lot of skills and, without a mistake, he could be a strong contender for a place in this comeback.

5 X.Y.Diamant has finished first or second in 13 of his 18 starts. He was a decent second last time out and competed in the V75 the race before. 8 Kungfu Lady hasn't shone in her three starts this year, but she showed some good performances last year. An early contender for the win in this race. 7 Dartboard was a decent fourth despite a handicap last time out and has faces nice conditions money-wise in this race. A well-bred horse that must be considered. 6 Wilson Laylock was a decent third from the lead after a pause last time out. Interesting number here and should be taken into account.
