Lingfield's left-handed all-weather track is laid out inside the turf track and, measuring just less than a mile and a quarter round, is essentially sharp in nature. This, along with how the races often pan out ensures that stamina is rarely at a premium and strong-travelling types with a turn of foot are often favoured. Predominantly flat, there is a slight downhill turn in to the straight. At shorter trips, prominent racers tend to outperform those ridden more patiently, though there seems little advantage over further. Lingfield's surface is polytrack.

James Owen

Luke Morris

Has flourished at this track in recent months, making it 3 wins from 4 starts over C&D last month and has continued the excellent work with placed efforts twice since. Nudged up 1 lb and he seems sure to be bang there again.

4 3 CHIFA (IRE) (14) (D) **97**
4221-1907 **9** 9-8 | 60.8kg

Ed de Giles

William Cox

Back-to-back Wolverhampton winner who suffered a pair of heavy defeats after. Shaped as though back in form when seventh of 12 in handicap at Wolverhampton 14 days ago, hampered at a crucial moment.

5 9 MAJESTIC WAVE (174) **97**
40000609- **4** 9-7 | 60.3kg

Simon Dow

Paddy Bradley

Tumbling in the weights without looking ready to take advantage.

6 1 BOLD SUITOR (43) (D) **98**
1190243-4 **9** 9-7 | 60.3kg

Craig Benton

Georgia Dobie

Three wins from 14 runs last year in a productive all-weather campaign. Probably needed the run when fourth of 7 in handicap at Kempton (7f) on return from 5 months off in March and should run closer to form this time.

7 13 CHOLA EMPIRE (47) (D) **97**
792-53356 **7** 9-7 | 60.3kg

David Simcock

Callum Shepherd

Pretty consistent at this sort of level but ran one of his lesser races when sixth of 8 in handicap at Chelmsford in February. Returns from short break with yard quiet of late.

8 12 BELLA BISBEE (11) (D) **98**
24-260552 **5** 9-5 | 59.4kg

Scott Dixon

Kieran O'Neill

Responded well to a positive ride when very good second of 12 in handicap over this C&D 11 days ago. This is a slightly easier band of handicap so a player if stall 12 doesn't inconvenience.

9 7 TWIRLER (25) (D) **98**
666-23137 **5** 9-5 | 59.4kg

Michael Attwater

William Carson

Placed twice over 6f here in January and added to her tally at Kempton the following month. Backward step when seventh over C&D last time, though.

10 6 MIDNIGHT RAVENS (IRE) (166) **95**
0/0748- **5** 9-1 | 57.6kg

Charlie Pike

Kieren Fox

Hasn't stood much racing and looked a hard ride when last of 8 in handicap at Southwell (8.1f) on final start for Paul Attwater in October. Off since and has moved yards.

11 11 VICTORY SOUND (IRE) (16) (D) **95**
02/99609-0 **4** 8-13 | 56.7kg

Mark Usher

Rhys Clutterbuck

Has barely beaten a rival for this yard.

12 8 GLOBAL WARNING (20) (C, D) **97**
5755-7421 **10** 8-11 | 55.8kg

John Butler

David Probert

Veteran C&D winner who had a bit in hand for latest success here 3 weeks ago. Up 4 lb and this is a much higher grade.

13 10 EDERGOLE'S GIFT (IRE) (45) (C, D) **99**
2168-2063 **5** 8-9 | 54.9kg **s+t**

Conrad Allen

Connor Planas (31lb/1kg)

Respectable 5 lengths third of 7 to Profit Street in handicap at this C&D in February. Eased further 1 lb.
