8 Skeie Oda faces very nice conditions and has put in several good efforts without winning. He is poorly drawn but should have a good chance with the right trip. **5 Holter Åsa** earned the most money last year and has a good lane. Wasn't at his best and was quite heavily backed in his comeback last time and has got a short break again. Quick starter. Should be considered early. **2 G. Soten** did not score a place last year but comes from a good second spot and has improved this season. **3 Tönder Ö.K.** rarely wins but seems in good form and has a good lane. Could cause an upset here.

6 A Perfect Match is undefeated after four races and has really impressed. He took the lead after just over a lap in the last race and won easily. Good chance again. Banker. **5 Sole Volo** won four out of ten races last season and has been consistent and good this year without a win. Run under his belt now and early choice behind our winner. **4 Come Harmony** started the year brilliantly but has not been as good towards the end. His form is a bit of a question mark. Normally he should be considered behind our banker. **1 Kaisa L.C.** took three wins and four second places last year and is much better than the latest results show. Has galloped a lot towards the end. Was second when she made a mistake last time. Good lane. Outsider.

2 Björnemyr Tix has won three out of the last four races and done really well. Is good for this company and will probably take the lead. Difficult to beat from there. **3 Nagel** is a good opponent though. He has also shown good form of late and was consistent and good last year. A bit tricky number here. **6 Komnes Huldra** has won two of seven races this year. Finished well as sixth after an inside trip in the last race. Early choice behind the favorite. **8 Mykle Fanden** has won eight of 25 races. Was fifth behind Nagel in the last race and is looking for revenge. Outsider.

6 Symphonie Classic has won five out of six races this year and done really well. He has had a short break now but normally he should have a good chance of winning again here. **2 Deep Sea Lucky** won 16 (!) races last year and has also started well this year. Competed in a tougher race last time and gave up from the pocket. Nice lane. Early choice. **1 Charleston Volo** faces very nice conditions money-wise and will probably get a good trip from this lane. Should not be overlooked. **3 Hello** won seven of 17 races last year and was actually ahead of Charleston Volo in the last race. Is quite consistent and at least a place bet here.

2 Vicious has won four out of ten races this year and is in great form. He won very easily in the last race against similar horses and should have top chance again from this nice lane. Banker. **9 Twenty Dollar** was second behind our pick last time and clearly defeated. Of course he is looking for revenge but he has once again got a tricky number. **3 Great Shadow** has shown good form of late without winning. Nice lane and at least a place bet. **1 Avonaco** comes from a win against a bit easier opposition and will probably get a good trip from this lane.

11 Ossie Artist is our pick in an open race. He has shown good form of late and hopes for quick pace from here. Won a ridden race in February but is also a good sulky horse. **9 Ramos** has won eight out of 24 races and is one of the best horses in this race but he is coming back after a very long layoff and his form is a bit hard to predict. **4 Honey Express** was brave as second from the lead in the last race. Has the best number of our favorites and could be dangerous from the front. **10 Irons** won four out of ten races last year and is better than the latest results show. Early choice if he avoids a mistake.
