5 Exclusive Creation faces good conditions and has also the highest winning percentage in this race. Has been poorly drawn lately but got a good lane now. Good chance in a mediocre race. **6 Capo Lane** is an early challenger. Won easily from the lead last summer and is our favorite for the front here. Run under his belt and certainly better than last time. **2 Soda Stream** has only taken one win in 34 starts but been quite consistent at the end and has got an excellent lane. Kristian Lindberg is in good form. **1 Re Union** never found room from the pocket last time and is probably aiming for a similar journey here. Should not be overlooked.

3 Champagne Power is a quick starter and our clear favorite for the lead. Galloped in the lead in his debut for a new trainer last time. Has got a break after that but gets the tip right away here. Driven by the trainer now. **5 Liberty Pace** never found room two starts back and has shown good form towards the end against better opposition than this. Nice lane and early choice. **2 Flaxy Bahitj** has been quite heavily backed towards the end but galloped a lot. Is not that bad and has a good lane. Should be considered immediately after the rest. **4 Lillipilli Templar** is not a superstar and did just alright as third from the pocket in the last race. Will get a nice trip and is good for this company.

7 B.T.'s Vencor is probably the best horse in this race and earned the most money last season. Finished well as third after a pretty tough final lap last time. Good chance together with Peter Ådefors. **5 Wilhelm Tell** comes from a second place and was not empty two starts back. On the way up and an early choice behind our favorite. **8 Loke Lovebite** hasn't won for a while but sprinted really well a bit behind the winner in the last race. Two runs under his belt now and worth a warning. **9 Lucia di Quattro** got locked in last time after a layoff and had energy left. Could cause an upset.

1 Nowhere Fast is much better than the latest results show and has a nice task here. He will certainly go for the lead where he has won eight out of ten races. Good chance from that position! **4 Hidden Dragon** has started really well this season and already won three races and earned over SEK 150,000. He did not convince in the last race though. The form is a question mark. **9 Whitelichttrotter** faces very nice conditions money-wise and comes from two good third spots. Tricky number at Åmål of course and needs some racing luck. **6 Parfait A.F.** competed in the V85 in March and April and is facing much easier opposition now. Did not impress last time but should not be forgotten.
