Summary: A winner of the first three legs of this series, JUST DE L'OISON (11) returns with strong claims of extending his impressive sequence. The chief threat may come from KING OPERA (14), who shaped particularly well on his reappearance at Granville. INVICTUS DE NILREM (5) benefits from an ideal engagement and is difficult to dismiss. JOMA OV (3) is of interest racing barefoot all round, a setup rarely employed, and could step forward as a result.
