RACE 1, V4-1

2 Emelie Sisu was not at her best as a big favorite two starts back but has otherwise put in good efforts lately. Ideal number and good chance. 6 Miss Youniverse belongs to the same stable as our pick and this is a four-year-old who is better than the latest results show. Early contender with the right trip. 3 Genie Am is in good form too and deserves a victory. Early choice this time with the right journey. 8 R.K.Rainbow has got a tricky number but with some racing luck she is possible too.

5 Dixie Dick comes from a V75-race on Charlottenlund outside of Copenhagen. Galloped then but is gifted and should be considered early here. 3 Teton Aboveall has only one win in 16 starts but is a lot better than that. Early contender. 2 Scarybeary Lixarve has one run under his belt after a pause and should be improved a lot. 1 Just Wish Boko is ideally drawn here and will certainly reach a nice position here. Has to be followed.

8 Usain Henna is strong and can do it tough. He uses to meet tougher horses than these and has top chance here despite this number. 3 Ottilia Fri has met good horses too and become tougher. Nice number and main challenger. 7 The Real Star has been consistent and good lately and deserves a victory. Early contender behind the favorite. 10 Super Nice is very fast and in case of quick pace he will defeat many opponents here.

1 Stojweiler One could find it hard to reach the front here. With the right journey he is fast enough to win a race like this though. 9 Cobbys Forever got a perfect trip from behind the leader in the last race. Found room with 300 meter to go and won easily at the end. Good form. 3 Önas Nelly has also put in good efforts lately but without winning. Nice number and early contender. 6 She's My Secret finished under 12/800 from third on the outside in the last race. Should normally be considered early here.
