11 Joy Sisu scored a splendid victory in Stochampionatet two starts back and she has very good speed. Faces quite easy opponents here. Good chance to finish to victory. 4 O'Mara Zon was very brave in the last run after a mistake and a tough journey. Could find the lead here and is the main challenger. 8 Lilian Young showed good skills as a three-year-old to score seven wins. On the way up again but tricky number. 6 Nycora can open fast but has been up and down. Should get a nice journey here and is possible behind the top duo.

9 Coral Coger has been matched against the elite and scored a victory in an E3-final on her home track this spring. She is strong and can do it tough. 12 Appia Express was just closely defeated by the favorite the last time they met and did not get a real chance then. Interesting horse and could challenge. 10 Naomi Bros looked like a winner in the lead in the last run but got defeated shortly before the finish. She is in great shape. 3 Tactical Lady U.S. wins often and could take advantage of a better number than the favorites. Outsider.

Several very promising three-year-old horses and the focus is on the Wäjersten stable. **1 Global Escape** is the best horse for us. Could find the lead with this number and is our pick here. We forget the last race. **6 Kuiper** is another very nice horse trained by Wäjersten. Won easily in a new record and on the way up. **8 Vegas Wania** was very good as a two-year-old and started very well this winter too. The form is a question mark now after the latest race. **2 From the Hip** is very nice too and this horse looks really promising.
