**1. LAZYM** - He has had two starts to date recording two 4th place finishes including one over track and trip which saw him fairly close up. Each way chance

**2. SANARYEN** - He has produced two very uninspiring runs to date and it's hard to see him getting involved in this contest. Would be a surprise winner

**3. YEUX NOISETTES** - He finished 5th on debut over 1400m well held by his rivals and he needs to take a significant step forward. Easy to pass by

**4. MUCHAS GRACIAS** - Arrives here in incredible form looking to reel of a hat-trick which looks to be within his reach despite the drop in trip to 1200m. Massive runner

**5. BELLE DE SABA** - Dam won three times from 1200m - 1600m and this filly could do with a few runs under the belt before shaping up. Others preferred

**6. TOMAKAY** - Dam won once over 1600m and this colt demands the utmost respect in the market on debut. Follow the market

**7. KISSY** - Dam won once on the flat over 2100m and this filly could need the experience and further before showing something positive. Others preferred

**8. VITESSE** - Dam was fairly useful winning four times from 950m - 1200m. This filly deserves huge respect on debut and could be absolutely anything. Watch the market

**Summary :** MUCHAS GRACIAS (4) brings the best form into the race and rates the one to beat as he looks for his fifth career win. TOMAKAY (6) get the services of a top jockey and could be one to keep a very close eye on. VITESSE (8) is a runner that could be quite precocious and bears close following on debut. LAZYM (1) can improve on what he has produced to date to get involved for a minor position.

## C2 - PRIX DE VAISON-LA-ROMAINE - 2000m (a1 1/4m) - TURF - Claiming - Flat - EUR € 15.000

**1. MYTHICAL WORLD** - A filly that is at the top of her game, recording three wins from her last four runs and looks to have a big chance of adding to that tally. Leading claims

**2. TIYMARA** - Two solid performances in France so far. She won over 1900m and now stepping up in trip should suit her down to the ground. Big runner

**3. KAPETANIOS** - He finished 7th over track and trip last time out but that run makes very little appeal in this contest. Easy to look elsewhere

**4. SPIRIT GREY** - Well tried maiden that hasn't been able to put it all together from eighteen attempts and lacks appeal here. Hard to fancy

**5. LIDISBARN** - He has bits and pieces of form including a 3rd place finish in his penultimate start which could see him get involved. Place chance

**6. LE TROPIC** - He hasn't been at his best of late and will need to improve but could do just that now placed into a weaker race. Each way chance

**7. ALMOST HEAVEN** - Remains a maiden from eleven outings and she will need to improve on her current form to challenge. Others are more persuasive

**Summary :** MYTHICAL WORLD (1) is thriving at present and looks set to run another big race. She should get all the favors and is the one to beat. TIYMARA (2) has done a lot right in her two appearances so far and is on the right path to do well once again. LE TROPIC (6) drops a division and could find himself bouncing back to his best form. LIDISBARN (5) is best of the rest but will need to show a bit more in order to win.

**1. ZARAKEM** - This colt arrives in terrific form having won his last four starts and looks to be going places. The only concern is the drop in trip but he is already a Listed winner. Horse to beat

**2. DIVIN PROPOS** - He won his last start over 1600m but will need to improve quite a bit to be competitive against this lot. Place chance at best

**3. FORTUNE** - He finished 5th last time out in a Listed event against some fair sorts and could pick up the pieces if the favorite fails to pitch up. Winning chance

**4. SPEECHMAN** - Finished 2nd last time out over 1900m and will need to lift his game in order to challenge here. Others preferred

**5. RAINBOW SKY** - She won on local debut over 1600m before heading over to Germany where she finished 2nd in a Listed race. Can get involved

**6. MAYLIN** - She finished in 6th position last time out in a Listed contest and that piece of form doesn't inspire much confidence. Hard to fancy

**Summary :** ZARAKEM (1) is bang in form and is on the up. He drops in trip in this contest but if that doesn't affect him then he should win. FORTUNE (3) looks to be the only lively challenger to the favorite from what we can see in black and white.
