RANK

1 Nowhere Fast has a nice task here. He won at Solvalla second last and comes from a V75 race. Much easier this time and good lane.
7 Matadore is strong and scored a good win at Biri at the end of August. Comes from a good effort after a mistake last time. Challenger.
3 Antonio Jet has mostly competed in low class races at the end and has been quite consistent and good. Has to be considered behind our duo. **9 Wilma Weeny** is not bad either and could get a nice defensive trip here.

8 Monrad makes his debut in Sweden and is our winner straight away. He won from the lead last time and showed the right attitude. **10 Maj Mollyn** galloped in Norway last time but had done well in Sweden before that with one win and two second places. **1 Hvalstad Hilde** has done well in her comeback and taken two second places. Good lane and should be considered early. **3 B.A.S Philip** is a 6-year-old in his first season. Has started well with three wins and three second places in eleven starts.

1 Stepping Dreamboy has earned less money here, but he still has a perfect task in this comeback after almost a year's layoff. He is a quick starter and will probably take the lead. We assume that he is well prepared. Good chance. **8 Pretty Devil** scored a good win from the lead at Biri at the end of August. Poor number now. **3 Ben Hogan** comes from a surprise win. Should not be forgotten again. **9 Gazza BR** is not bad but the shape is a big question mark.

4 Vincitrice took the lead last time and won easily. With a similar performance, he should have a good chance here. **5 Syrah** won second last but has got a break since the last race. Early contender if well prepared. **6 Network Eagle** has not won yet after 29 attempts but in this company he can definitely score the first victory. **1 Numbertwentyone** did well against top three-year-olds this spring. Is trained in Norway now. Much easier here but was just slow last time in the comeback. Hard to predict.
