3 Husavik scored a superior win and was very brave in the last V86 race. He is fast in the circular start and the clear favorite for the lead, but it would be a big disadvantage if he has to compete with shoes. **10 Lozano** galloped in the final of the Swedish Championships for female drivers last time but has scored a couple of really nice wins both before and after. Easier opposition now than last time. **7 Icebreaker Sisu** has shown consistent form and followed well in the lead in the last race. **9 Billy The Bronco** is good for this class but has not impressed yet in the northern part of Sweden.

8 Second Breakfast was already very heavily backed two starts back and lived up to the expectations last time when he won with energy left. Tricky lane now but our winner anyway. **15 Fructose** is very speedy and has been working well. Came back alright after a mistake in the last V75 race. Easier here. **9 Black Bourbon** met better horses last Friday and finished fast as fourth a bit behind the winner after a slalom race on the home stretch. **11 Gastronomy** followed well behind our pick in the last race.

1 Robinhood C.A. started well in Sweden but had a mediocre period after that. However, he scored a really good win from the front two races ago and could lead this all the way. **2 Inge B.Svärlig** is good and sprinted to a nice victory last Friday against similar opponents. **5 MT Rick Nash** was third behind Inge B.Svärlig last Friday from the lead and just closely defeated. Can he reach the front again? **9 Yara Dream** is hard to predict after the recent starts in Finland but won a V75 race on Christmas Day at Umåker.
