RACE 3 — V65-1 — Auto 2100

5 Chandelier has only made four starts and is still very inexperienced. However, the horse is developing strongly and has already been matched against tough opponents. Opens fast and will be in the fight for the win. **6 Beth Dutton** is matched in good company too and only getting better and better. Meets stallions/geldings now, but is still an early choice. Quick starter. **3 Good Gal** is looking for revenge after a mistake in a bigger race last time. **2 I.D.Jive** took his first career win in the last race. Nice number.

RACE 4 — V65-2 — Auto 1609

4 L.A.'s A Million starts often and is good for this class. Barefoot this time is an advantage. Should have a good chance to win. **2 Jackson Trot** has shown top form lately. Quick starter and should reach a good position from here, probably the lead. Has to be considered early. **3 Clodrique** is strong in every way and sprints fast with the right journey. **1 Noah B.R.** is gifted but risks to get stuck on the inside here.

RACE 5 — V65-3 — Auto 2100

7 Grisle Tore G.L. did really well as second in the last race despite a tough journey along the way. Has a better lane than the main rival and should have a good chance. **8 Voje Lotta** is a real winning machine who can also match stallions/geldings. This poor lane makes the task anything but easy, but the mare is strong and has the right attitude. Early choice. **3 Baias** is possible too behind our top duo. **11 Prinsesse Ness Tjo** can sprint fast.

RACE 6 — V65-4 — Auto 2100

4 Onyx BR has been matched in tough company most of her career and done well. She will meet strong mares this time, but should have a good chance anyway. **6 Stella Ammik** will face stallions/geldings this time, which means it will be tough. Has shown really good form lately though and is still relevant. **5 Catchagaga Volo** has good speed and could be in the mix too. **7 Bully Pepper** has a tricky lane but should still be considered early.

RACE 7 — V65-5 — Auto 2100

3 Excalibur Gene has done brilliantly for Frode Hamre and won half of his 36 career starts. Opens fast and should reach a good position from this nice lane. Likes to be driven by Vidar Hop. In the fight for victory. **11 Fighter Kronos** has a disappointing starting position, but is the best horse overall. Early contender with the right journey. **1 Nadal BR** hasn't won for a while, but is gifted. **5 Wishful Order** is a fast starter. Possible.

RACE 8 — V65-6 — Auto 1609

1 Frikar has galloped in two straight starts and is not entirely reliable. Is a bit up and down, but good for this class. If he finds room in time, he is fast enough to fight for victory. **8 Ferden** has shown good shape lately and is a very quick starter. Should be considered. **12 Skar Loke** has really good speed but gallops a lot. Should not be overlooked despite this lane. **3 Hå Ella** is possible too behind our top trio.
