6 G.G. Garzon has won four of ten races so far and done well. Has faced good horses and comes from a third place behind stable companion G.G. Gentil. Now chasing revenge together with Dag-Sveinung Dalen. **7 G.G. Gentil** has won two of 13 races and he faces a 40 meter handicap too. He beat G.G. Garzon in the last race and can do so again. One out of two. **4 Elton Rags** has scored four wins and been consistent and good at the end. Early choice behind our top duo. **5 Megatron** has not won yet but is not bad and could surprise if our favorites would fail.

7 Bleke Best did not race last year but has come back brilliantly this season. Coming from victory and looks in fine form. Good chance. **6 Ove** is a very early challenger. He actually beat our pick last time but the latter one had galloped. **4 Linde Hövding** was fifth behind Ove in the last race but was more heavily backed then. Looking for revenge. **2 Merklin** was third behind Ove in the last race but has a better lane this time and could surprise.

10 Grumbazz Kini has earned the most money and wins very often. He will be very exciting to follow in this discipline. Has won four of the last five sulky races. **8 Daddy Pop** has to be considered very early as well. Has won eight races and earned the most money this year. Has done well at the end without winning. **6 Magical Time** won easily from the lead in the last race. She will face tougher horses this time but is definitely an early choice in this ridden race. **7 Gold Ripasso** won a ridden race at this track in November and could be at least an outsider in this field.

10 Gangster Pirat gets the tip in this rather weak race. He has been consistent and good towards the end without winning but in this company it could be his turn. **11 Tverdals Thor** has only one win in 21 starts but was third in the last race despite a gallop and should be considered early in this field. **7 Högly Gneis** won despite a gallop at this track in September. Has also galloped since then but is a contender if he avoids a mistake this time. **8 Heike Fra Skaråsen** won at this track in March. Has only galloped since then and needs to avoid a mistake first. Two runs under his belt.

5 Kaiser Pagadi has galloped lately but is definitely good for this company. Took a nice win in October and has a good chance here with a similar effort. **6 Kvåles Tobin** finished well as third in the last race. Has been consistent towards the end without winning. Early choice. **7 Kangaroo** has done well too at the end without winning. Contender in this field. **9 Prosandcons** was second behind Moni Hall in the last race but has had a long layoff since then. Has to be considered straight away if well prepared.

Beat Italy in the last race. Possible behind our top duo. **1 Q.Tooma** is quite consistent and has got a good lane. Will probably get a nice trip from here. Outsider.
