1 Harriet Zet was heavily backed three starts ago in an elimination heat to Oaks. She is now making her debut for trainer Hapaakanga, and faces a nice task here. Is the only horse in the first circle and will certainly find the lead. In that position they will try to use the horse´s strength as good as possible. **2 Önas Spartacus** is more strong than fast, just like our pick and this long distance is an advantage. **5 Move It Brodde** is up and down, but good enough to be able to sprint to victory on the right day.

2 Zinon Dream is a typical front runner. Met tougher opponents in the last run and we forget that race. He was better second last when he scored a nice win in the lead. Similar conditions now as then and could repeat that effort. **1 Fury Scoop** is a good horse under the saddle. She also prefers to ru in the front, and this draw is ideal. **7 Keeponrunning** is good under the saddle and needs to be considered again. Shoes is a question mark though.

7 Albert Zonett has diffuse form. Normally, however, he is a good V75 horse and he has defeated clearly worse opponents. With strength and attitude as his main weapons, he should have a good chance of victory regardless the journey. **9 Fighter Simoni** is a strong finisher. With some racing luck he will defeat many on the home stretch. **8 Mose Eagle** is the only mare and faces tough conditions. But on the other hand she has better skills than most opponents and the right attitude.

5 Woodbank has shown really good capacity and second last he simply the strongest from outside the leader finishing 13.7/1000 meter. He was not as good last time but is working strongly again. **3 Deluca** isn't that bad and the whole stable is on the way up. Two starts back the horse scored an easy win in the front. Could find an early lead here as well. **1 Eyesight** is a bit tricky but has good speed. Comes from victory. **10 Ransom Tile** is better than the latest results show and is working strongly.

10 Martha Diablo is the best horse in this race for fillies and mares. She scored a nice win in a Breeders Course race second last at Solvalla but was not as good last time with too tight starts. Top chance now. **9 Turi Follo** is really good now and has finished strongly on the home stretch twice from far back. **2 Lowely BTB** is not completely reliable but did well last time. She is fast from the start and leads for a long time. **12 In Love Silas** has shown good speed to score a couple of second spots.

2 Uptown Skift finished brilliantly last time. Was closely beaten after a fast 12/800 and according to the trainer she is working very well now. **1 Hockey AM** looked incredibly good through the last turn last time but was tricky and made a small mistake when the ear plugs were drawn. Would have had a good chance otherwise and will go for the lead now. **10 Husar Brick** scored a good shared victory two starts back. **3 It Ain't Me** failed from the lead last time but had shown good form before that.
