8 Speedy Canepa has done well for a long time without winning a race. Can open quickly and is certainly good straight away. Good chance to win despite this lane. **7 Global Emotion** is often in the mix, but does not win very often. Good enough to challenge our pick. **6 Lulu Dragon** galloped on the way to a good result in the last race when he was about to attack. Should not be overlooked. **9 Quality King** has a run under his belt and can take his first win of the year despite this lane in the second line.

4 Chain Of Command got locked in with energy left last time. He has good speed and with the right journey, he could very well pass everyone over the home stretch. **7 Napoleon Tooma** was close to our pick the last time they met. Is good enough to be in the mix in this type of race. **8 Happy So Easy** is consistent and reliable. Possible with the right trip. **6 N.Y.Envole Moi** will be improved by the last run under his belt.

RANK

8 Onkel Alf has a tough starting position, but the nine-year-old likes the short distance and should be ready to win with the last run under his belt. **11 Kuven Lennart** got defeated at the end in the last race. This shorter distance is an advantage. **2 Eidsnes Mattis** was not at his best in the last race but can do better than that as he showed when he won two starts back. **1 Mi Bella** has a perfect draw and could get a nice defensive trip. Can surprise with an opening in time.
