RANK

5 Vicious has earlier done well under the saddle and looks to enjoy this discipline. Ranked highest in a wide open race. **1 Ossie Artist** won from a similar starting position four starts ago and if he reaches the front - which is the main scenario - he will lead the race for a long time. **6 Like A Mack** likes this discipline too and is one of several horses that can win this race. **7 Happy So Easy** is coming off a win and beat Like A Mack. In the mix again.

Quick starter and from the lead he will be hard to beat again. **3 Symphonie Classic** has won three of the last four starts and should be considered even though she faces much tougher opposition than at the end. **5 Majah B.** puts in solid performances most of the time but hasn't won a race for a while. Owns good speed and she has to be considered. **4 Efes Trotter** certainly gets a defensive journey and is primarily a place bet.

Is possible but needs some racing luck to win this race. **7 ML's Viking** has some potential, but is not reliable. Place bet without a mistake.

2 Kickback is coming off a win and showed that he is close to top form. This starting position is appealing and overall the task looks clearly suitable. **1 Irons** has put in several nice efforts towards the end and if he can hold the lead from here, his chances will increase. Early challenger. **6 Rönnerdahl** is strong and tough and in case of quick pace, the eight-year-old can finish fast. **7 Devi Jameson** doesn't win very often and is mainly fighting for a podium place.

6 Kvikk Sölv owns good speed for this class. He galloped in the last race but if he avoids a mistake, he could prove to be the strongest at the end. **4 Kuven Lennart** got a run under his belt in the last race and if Tore Tofland manages to reach the front, he is an early challenger here. **5 Geissler** keeps his nice form and with the right backs until the home stretch, he will finish quickly. **7 Tönder Ö. K.** is consistent, but hasn't won for a while. Could cause an upset here.
