**5 Maharadonna** is coming off a win. She then reached the front and won closely. Mats E Djuse again and we think they will take the lead again after a while. Our idea in a fairly open race. **6 Västerbo MagicMike** has done quite well of late. Won at Gävle in November and comes from a V85 race at the same track. Easier this time. Contender. **8 Super Queen B.S.** has taken four wins in twelve starts. Driven by Kihlström last time and won straight away after several good efforts. Top driver again and has to be considered despite a poor draw. **2 C.Mon Ligus** won despite a gallop in December. Has a good lane and is driven this time by Marcus Lilius. Could surprise.

**1 Olsims Robin** has a good task here. Will probably take the lead and is the horse to beat. However, he has galloped towards the end. **5 Ärliga Blå Ögon** has started really well and should be considered early despite this handicap together with Tomas Rosén. **4 Sjöli Albert** comes from Norway and has got a run under his belt after a long layoff. Driven this time by Mats E Djuse and that is interesting. **8 Glittertind** has been consistent and good so far. Has made two races after a very long break and is an early choice in this field.

**3 I.D.Hawksspeed** has only one win in 27 starts but is definitely our pick here. She finished well as second last Friday and is our favorite for the lead here. Good chance. **5 Queen T.** comes from several good performances and is in top form. Nice lane and early choice behind our favorite. **4 Lion Silver** did not trot well in the last race and was banned from starting. The horse has competed a lot in the V85 and is facing easier opponents now. Can open fast. Has to be considered. **7 Ki Ti Vi** has shown fine form in quite good company at the end. Difficult lane but this small field makes it easier. Outsider.

**6 Lookin At Lucky** is our idea in this fun and quite open race. He is better than the latest results show and our clear favorite for the lead. Good chance. **3 Coin Master** is an early pick too. He was second over the long distance two starts back and has got a good lane. Has to be considered straight away if well prepared. **7 Domino Time Trot** faces good conditions as a filly. Daniel Wäjersten's horse has a tricky draw but is a contender together with Mats E Djuse. **9 Exklusiva Liss** has shown good form of late. Was third over today's distance in November and is driven this time by Ulf Ohlsson.
