7 Babsans Bankir has shown a nice and stable form for a long time and has been matched in tougher company. Here the eight-year-old steps down in class and in this fairly small field, Petter Karlsson should find an opening in good time. **11 Västerbo Carretera** has been matched against the best of his year during the three-year-old season and will thus step down in class in this seasonal debut. **2 Isla Vanilla** was really good in the last race and set a top time for this season. Early choice with a similar performance. **1 Raffige Rune** is fast from the start and uses to keep up the pace well. Good place chance.

Tough and in top form. **10 Gobsnacked** has been performing well all the time but should have won two starts back. Nice task here. **6 Yellowstone Doc** qualified in convincing style and has also done well in the first two races. Could lead this all the way. **2 J.J.Red Caviar** has shown good speed resources for this class.

Form, capacity and lane to challenge. **3 Carrego** is not entirely reliable but will be in the mix if he avoids a mistake .

9 Rustico was heavily backed in the V75 throughout 2024, but then had an unsuccessful season last year. Örebro's successful trainer will take him to new heights and with a run under his belt, he should be greatly improved. **5 Zigzag Zagazoo** is used to much tougher opponents and finished well in the last V85 race. Down in class. **13 Macho Man** has no easy task here, but he really has the right attitude. **1 Stay Out** scored a strong win but has often had bad luck. Should get a nice trip from here.

2 Modric had a bad day in the last race and did not trot well. The seven-year-old is more strong than fast and faces quite easy opponents here. Will probably get an offensive trip by Crebas. **3 LLImhoturnot** put in a strong finish when winning over the long distance last autumn. **8 Escargoat** is not bad at all if the form is right. Early contender from the lead. **4 Colombe Blanche** held strongly from outside the leader last time and is probably even worse now.
