6 Tryll is our pick in this open race. Met tougher opposition last time and had done well before that. Doesn't win very often though. **5 Pegasus** is also quite consistent and good. Has competed in Sweden recently and will probably face a bit easier horses this time. Early choice. **2 Fantus** is clearly better than the latest results show. Has a good lane and is one of several contenders. **4 Vina Af Sola** has been consistent and good at the end and comes from a fourth place behind Tryll among others.

7 Lekker was perhaps not at his best last time but will face easier horses this time. Wins quite often and should have a good chance despite this lane. **1 T.C. Lotta** has one victory in ten starts but comes from several good performances. Can open fast and will not be easy to beat from the lead. **2 Valle II** could get a perfect journey behind T.C. Lotta and will be really dangerous. Watch out. **6 Fakså Ö. K.** comes from a good performance and is an outsider with a similar effort.

7 Pictured King is clearly better than latest results show suggests and has met tougher horses. Returns after a long layoff and should be considered in this group straight away. **3 Odd Viking** is not that bad and could take the lead. If so, he will be good. **4 Gejst** did quite well in the last race and she is also an early choice in a fairly open race. **1 Zakira** did quite well last year but her form is questionable now. She will probably have a good run from here.

4 Rokke Faxe is coming off a strong win and has shown really good form towards the end. Good lane and early choice. **6 Vidarson VA** is consistent and good but has not won for a long time. Will not opposition too much blood here. Is considered. **1 Troll Elden** was not empty in the last big race. He will certainly take the lead here and can lead this from start to finish. **2 Hvalstad Lill** doesn't win very often but could have a nice inside trip here and is should not be overlooked.

11 Churchill didn't quite live up to expectations in the last race but faced tougher horses then. Hope for some pace here and if so he has a good chance of pass all. **1 Jonny Le Rocker** has shown good form lately but will probably find it difficult to hold the lead here. Of course he will need a bit of luck. **6 GG Egri** galloped straight last time in his comeback after a very long layoff. Good in this company. **2 Miller's Papagayo** has not raced for almost a year. Could need the race but is still should not be overlooked of this group.

5 Get Going has already taken three wins this year! The Hästen is quick starter but it is not certain that he will take the lead. **4 Come Queen** is also quick starter and she won in the last race ahead of several of today's opponent. Very early challenger. **1 Touchtoomuch** wins quite rarely but has been very consistent and good in the end. Will definitely have a nice trip from this draw. **9 Nikita BR** is also consistent but has a tricky number. Mainly a place bet.
