

## RACE 1, V4-1

Volt 2640

11 Missing Tooma has not been at his best for a while but he has good capacity. Has got a break now and is working well. Good chance. 10 Bara du Chene scored an impressive victory in the last V75 race and won comfortably when an opponent galloped. Is both fast and strong. Challenger. 6 Pomeroll Am has shown good form this winter and is consistent and good. Has got a pause after the last race and the chances are not easy to predict now. 4 Timotejs Fredag is better than the latest results show. Possible if the best horses would fail but has to be at his best then.

7 Karls Helge put in a strong effort in the last race and found an opening from behind the leader. Won comfortably and is in great shape. 10 Vision Face ran without shoes in the last race. Galloped in the V75 then but looked really nice. Could take revenge directly here. 11 Sinister Face was outstanding two starts back and scored a splendid win. Kept up the pace well in the last run and should not be overlooked. 2 Edler met tough horses in the last V75 race and did alright. Easier now and has to be considered.

2 Del Ray Pellini has good capacity and we like him a lot. Has been matched against tough horses and faces easier opponents here. Is on the way up. 3 Mascarpone Doc has been competing in the V75 twice but met too good opponents. Galloped directly two starts back. Can open extremely fast. Will take the lead here. 12 Ethoca has done well lately and is gifted. Has good speed but is also strong. Possible. 6 Chef M.M. has not been successful lately but is in much better form than the results show.

3 Unico Broline looked splendid in the last race and finished really fast. Showed 09/800 at the end and looked great. Our pick. 6 Bacchus L.I. has done well against tough opponents this winter and was heavily backed in the V75 on Mantorp on December 23. Has got a break now but is a contender directly. 9 On Stage Indika looked splendid in the warming up before the last race. The horse is often underestimated but should be considered. 2 Nisse Roc faced a back row draw in the last race and never got a real chance. Better number this time and good enough to be in the mix.
