7 **Philosopher** has scored five wins and earned more than 500,000 SEK. Is probably the best horse here but the handicap is always tough in a seasonal debut. 1 **Global Bergkamp** has got a break too but faces nice conditions directly here. Could be hard to defeat in the front. 3 **Horizon du Gers** is back on Swedish soil after a trip to France. Was fifth after an impossible journey and really brave. 2 **Global Boom** has not raced for a while and the chances are not easy to predict. Outsider.

12 Solkattens Ferrari has been racing in the V75 lately and faces easier opponents this time. Good chance. 4 Breidabliks Kahlua is developing well and if she handles this tricky number she could challenge our pick here. 8 Unacerveza Broline has not raced for a while and the form is a question mark. Tricky number too. Early contender anyway. 11 Conrads Massiv is a bit up and down but has good speed and should be considered early in this company.
