12 Zeus Cal seems to be on the right track after a layoff. He is strong and tough and despite this tricky draw he has a good chance of winning. **1 Västerbo Athos** is aiming for the lead. Even though he returns after a layoff, he should be considered early. **9 Ozzy de Veluwe** could reach a nice position from here. Interesting together with Rikard Skoglund as driver. **6 Turmfalke** gallops a lot but has good capacity. If he avoids a mistake, he can claim the win.

Normally he will finish in front again. **8 Troll Rapp** has a lot of speed but is a bit slow and needs a nice defensive trip.

He is a quick starter, has taken a break and prefers to run without shoes. **2 Ajlexes Gourmand** finished well in his comeback. He should be sharper now and barefoot is a plus.
