2 Sun's Nougat finished well in the last race and has got a good starting position since he is fast behind the gate and from the lead he should have top chance. **1 Youmakeourday** finished quickly after a late opening in the last race. Better with that run under his belt and gets a trip in front again. **13 Earnest** is good for this context. Would benefit from high pace in the lead and will then pass most of the opponents during the final half lap. **8 Anna Mae** has faced good opposition for a while but is now stepping down in class.
