## RANK

**8 Palmesus N.O.** has won three of the last four starts. This inside lane should not cause any problems and this looks like a very nice task. **10 Grisle Kongen G.L.** was defeated by our pick the last time they met. Challenges with the right trip from behind. **9 Höstbo Marcus** decided the last race after a strong finish. He faces quite tough conditions money-wise in this race but should not be completely discounted. **5 B.W.Jackpot** owns great speed, but gallop a lot too. In the mix without a mistake.

**4 Maniac Mom Sisu** has two runs under his belt and is starting to approach top form. She gets an offensive journey and should have a good chance of winning this race - especially if she finds the lead. **5 Global Forecast** is fast if he can save the speed and is a contender with the right trip. **11 Howtobehave W.F.** did well in the last race after an opening gallop and will soon take his first win. **8 Adora Liss** gave up in the last comeback. Should have been improved by that run under her belt.

## RANK

**9 Vejmo Kungen** had his winning streak broken in the last race but did still alright. Our winner in a wide open cold-blood race. **2 Birger W.** has great speed, but is not reliable. If he avoids a mistake, he will not be easy to beat. Will possibly go barefoot behind for the first time. **7 Grisle Galant G.L.** has not won a race since August. Barefoot for the first time which is an exciting change. **3 Lill Majsan** took her first win in the last race. Good form and is one of several horses who can win this race.

**5 Easter Egg** looked in good shape last time but got locked in. The seven-year-old is a quick starter and despite this number he is the favorite for the lead. Our pick. **9 Albacete** was good in the first race since November. Better now and he is could pass everyone at the end. **1 Fashionable Dance** has not started for a long time, but these conditions are good and this distance has not been a problem. **2 Don't Thell Me** has won three out of seven barefoot and is now driven by Ulf Ohlsson for the first time.
