WEATHERBYS GLOBAL STALLIONS APP HANDICAP (2) 4yo+
(Rated 0-100) £50,000 6f (1210 Metres)

RACE 1

Going: **Good**

The Cesarewitch course is two and a half miles long, with a single right-handed turn at halfway, creating a ten-furlong straight course, the longest in the country. A wide, galloping track with an uphill finish that is ideal for the big, long-striding horse, except for the descent into the Dip where those types can become unbalanced. Ability to see out the trip thoroughly is essential, and those that commit for home too early can be caught out by the uphill run to the line.

Draw: **N/A** Pace Information: **Very Strong**

1 4 INVICTUS GOLD (IRE) (138) (CD) 97
115/31055- **4** 9-10 | 61.7kg

 **Tom Clover** *Rossa Ryan*
Won twice at 2 yrs and positive start to 2025 when third to Double Rush in a C&D 3-y-o handicap at this meeting. Built on that when scoring in tidy fashion back here 2 weeks later and while he failed to progress in 3 subsequent starts, he's dangerous to discount now returned to the Rowley Mile.

2 6 DIVINE LIBRA (IRE) (196) (D) 97
0/6555462- **6** 9-3 | 58.5kg

 **Charles Hills** *William Buick*
Went very close in a valuable 7f handicap off this mark here in May 2024 and has largely acquitted himself well in defeat since, not least when second in a conditions race at Kempton (6f) when last seen in October. Booking of William Buick an obvious plus but 13-race losing run is off-putting.

3 8 COUL ANGEL (IRE) (89) (CD) 98
613112-67 **4** 9-3 | 58.5kg

 **Michael Appleby** *Robert Havlin*
Five-time winner last year, including a C&D handicap on sole previous visit here in September. Better than bare result on latest appearance at Newcastle 3 months ago and each-way claims if ready to roll back from a break. Yard also saddles Baldomero.

4 11 REALIGN (FR) (158) (D) 99
23/19017- **4** 9-2 | 58.1kg

 **William Haggas** *James Doyle*
Salisbury maiden winner on 2025 reappearance and, having been gelded, made it third time lucky in handicaps at Haydock (6f, good) in September. Only seventh at Doncaster on final run of last season but probably unsuited by the heavy going that day and he remains a sprinter to follow this year.

5 9 EYE OF DUBAI (140) (D) 97
20531527- **5** 9-0 | 57.2kg

 **John & Sean Quinn** *Jason Hart*
Regained winning thread at Ripon in September and followed that with a couple of fine efforts in defeat, notably going close in a big-field Doncaster handicap towards the end of the year. Failed to land a blow final run of 2025, albeit that was on the all-weather.

6 1 HUMAM (IRE) (171) (D) 97
66618534- **4** 9-0 | 57.2kg

 **Stuart Williams** *Marco Ghiani*
Ready all-the-way winner of 7f York handicap on final start for Andrew Balding last June (subsequently sold for 190,000 gns) and pick of efforts for this yard was a creditable third of 13 here on Cambridgeshire day in September. Gelded during the winter and this assignment demands improvement.

7 12 DOUBLE RUSH (IRE) (221) (CD) 100
245/11320- **4** 8-13 | 56.7kg

 **Andrew Balding** *Oisin Murphy* 
Winner of first 2 starts last season, including a C&D 3-y-o handicap at this meeting, before performing with plenty of credit in valuable races at York and Hamilton (both at 6f). Too bad to be true when last seen at Ascot in September and he's of strong interest on debut for new connections.

8 14 BALDOMERO (IRE) (17) (D) 97
41911-450 **8** 8-13 | 56.7kg

 **Michael Appleby** *Cieren Fallon*
Bagged a 5f Doncaster handicap last summer and registered 3 more victories on the all-weather towards the end of 2025. However, this 8-y-o was well held returned to turf/Town Moor recently and, though second in the 2024 renewal of this race, others make more appeal.

9 5 ZOULU CHIEF (88) (D) 97
8462321-3 **5** 8-13 | 56.7kg

 **Heather Main** *Hollie Doyle*
Gelded last summer and followed that procedure with a string of good placed efforts before deservedly resuming winning ways at Wolverhampton (6f) in November. Wasn't in the same form at Lingfield at the start of this year but he remains on a workable mark and is not without each-way hope.

10 7 DARK THIRTY (IRE) (17) (CD) 97
0210060-0 **6** 8-12 | 56.2kg

 **John & Sean Quinn** *George Wood*
Landed this prize off 4 lb higher on 2024 seasonal reappearance and also won first time out at Doncaster last term. However, he struggled on return this time round (first run for present yard after being bought out of the Richard Hannon yard 25,000 gns) and he's opposable on the back of that.

11 13 ROUSING ENCORE (IRE) (19) (D) 96
0581043-2 **6** 8-11 | 55.8kg

 **Ruth Carr** *James Sullivan*
Likeable type who resumed winning ways at Ayr in September and ended 2025 campaign with a close third of 18 at Doncaster. Put in another good shift when runner-up on recent reappearance at Newcastle (6f) but more will be needed if he's to get his head in front where it matters here.

12 2 ETERNAL SUNSHINE (11) (D) 97
1113330-0 **6** 8-11 | 55.8kg

 **Jim Goldie** *Lauren Young (5lb/2kg)*
Completed hat-trick in the Portland at Doncaster in September and ran well when third, beaten a neck, over 5f at York the following month. Ought to come on for recent reappearance spin at Musselburgh but she looks vulnerable for win purposes nonetheless.

13 3 DILIGENTLY (221) (D) 98
381/20912- **4** 8-9 | 54.9kg

 **Clive Cox**  *Rob Hornby*
Won Goffs' Million on final juvenile start and improved to go close on 6f Chester reappearance last spring. Back to form final 2 starts of last term, winning at Windsor before chasing home Eternal Sunshine at Thirsk (gelded since), and likely to be on the premises if fully tuned-up here.

14 10 ANDESITE (19) (D) 96
7/486560-7 **4** 8-9 | 54.9kg

 **Roger Fell**  *Jason Watson*
Has yet to add to his debut win in May 2024 and didn't impress with his head carriage when running badly at Doncaster on final outing of 2025. Wasn't disgraced on first run for new yard on recent return at Newcastle but hopes here pinned on the first-time cheekpieces sparking improvement.

14 DECLARED RUNNERS

BETTING FORECAST:

9-2 Double Rush, **5-1** Realign, **8-1** Invictus Gold, **11-1** Diligently, **12-1** Coul Angel, **12-1** Rousing Encore, **14-1** Divine Libra, **16-1** Zoulu Chief, **20-1** Humam, **22-1** Eternal Sunshine, **25-1** Dark Thirty, **25-1** Eye of Dubai, **40-1** bar

TIMEFORM VIEW:

REALIGN's profile is similar to that of More Thunder, who landed this race for the Haggas yard 12 months ago before going on to make his mark in pattern company. It remains to be seen if Realign will go on to scale similar heights to his stablemate but there was plenty to like about his Haydock performance in September and he shades preference ahead of another 4-y-o who probably has more to offer this season, namely Double Rush. Of the others, Diligently and Invictus Gold are the most appealing.

1 4 COMMAND THE STARS (IRE) (194) 85
511217- **3** 9-5 | 59.4kg

George Scott **Rossa Ryan**
Winner of 3 of his half-a-dozen starts at 2 yrs, most notably a French listed race over 1m in September. However, he was disappointing in Group 3 company when last seen the following month and looks vulnerable under a penalty.

2 2 SHAYEM (IRE) (60) (D) 96
1311-0 **3** 9-5 | 59.4kg

K. R. Burke **Clifford Lee**
Signed off productive 2-y-o campaign with a decisive display in a listed event at Pontefract (1m, heavy) during the autumn. Switch to dirt was perhaps the reason for a poor display in Saudi Arabia when last seen in February and it would be no surprise were he to get back on track.

3 1 BOURBON BLUES (148) (C) 97
18645312- **3** 9-2 | 58.1kg

Brian Meehan **James Doyle**
Left 2-y-o debut behind when winning a 6f Brighton maiden last spring and largely acquitted himself well in good company thereafter, last seen going close in a 9f Group 3 on the all-weather at Chantilly in November. On the downside, he's up against several promising, unexposed types here.

4 6 ISAAC NEWTON (IRE) (171) 100
2154- **3** 9-2 | 58.1kg

Aidan O'Brien, Ireland **Ryan Moore**
Built on highly promising debut near-miss when landing a 7f Glorious Goodwood maiden last summer. Creditable efforts in France on final 2 starts of his juvenile campaign, latterly finishing fourth of 10 in a Group 1 at Saint-Cloud (1¼m, soft), and he's a strong candidate back down in class.

5 5 MORSHDI (186) 92
21- **3** 9-2 | 58.1kg

William Haggas **Tom Marquand**
Pulled clear of the rest when going down narrowly on debut at Sandown in September and duly went one better at York (1m, good) the following month. Good deal more on his plate now but he's in very good hands and there should be more to come from this well-bred colt.

6 3 POSEIDON'S WARRIOR (IRE) (185) (D) 88
21- **3** 9-2 | 58.1kg

Charlie Appleby **William Buick**
Fetched €900,000 as a yearling and, having shaped very well when runner-up on debut at Haydock in September, he subsequently landed the odds with minimum fuss at Goodwood (9f, good to firm). Clearly a useful prospect for his top team and he has to be feared.

7 7 WAREETH (IRE) (25) 91
1 **3** 9-2 | 58.1kg

Archie Watson **Hollie Doyle**
Out of a Group 3 winner in France and won by a street on his introduction in a Newcastle novice (1m) last month. This is a different ball game altogether but races on the Flat are rarely won by 14 lengths, which was the margin of his Newcastle success, and he's a pretty exciting prospect.

7 DECLARED RUNNERS

BETTING FORECAST:

11-4 Poseidon's Warrior, **3-1** Wareeth, **7-2** Isaac Newton, **11-2** Morshdi, **12-1** Shayem, **22-1** Bourbon Blues, **40-1** bar

TIMEFORM VIEW:

WAREETH falls squarely into the 'could be anything' category following last month's facile debut victory at Newcastle and he could be the pick of several promising colts. Godolphin's Poseidon's Warrior and Balldoyle's Isaac Newton both command plenty of respect, while Morshdi also possesses plenty of potential and must enter calculations, too.

TIMEFORM 1-2-3:

1. WAREETH 2. POSEIDON'S WARRIOR 3. ISAAC NEWTON

Ability to see out the trip thoroughly is essential, and those that commit for home too early can be caught out by the uphill run to the line.

1 3 DAMYSUS (186) (CD) 97

1/32011- 4 9-5 | 59.4kg

John & Thady Gosden

James Doyle

Frankel colt who was beaten a long way in the Derby at Epsom last June but back on track with victories in 1¼m French listed race and the C&D Darley Stakes (good to firm) on final 2 starts of his 3-y-o campaign. Remains with potential and he may well have more to offer this season.

2 1 BOILING POINT (IRE) (53) (CD) 100

194/5421-4 5 9-2 | 58.1kg

K. R. Burke

Clifford Lee

Listed winner for Roger Varian and opened account for present yard when edging home in the 23-runner Cambridgeshire over C&D in September. Shaped as though he'd come on for the run when fourth in the Winter Derby at Lingfield in February and a bold show likely returned to turf.

3 5 KING'S GAMBIT (IRE) (207) 95

237/46352- 5 9-2 | 58.1kg

Harry Charlton

Jamie Spencer

Impressive winner of the London Gold Cup on reappearance last year and even better form when placed at listed/Group level next 3 outings. Signed 2025 campaign off with a very respectable effort at Ayr and should pay his way again this year but James Doyle unsurprisingly sides with Damysus here.

4 6 PERSICA (IRE) (152) (CD) 98

31815608- 5 9-2 | 58.1kg

Richard Hannon

Oisin Murphy

Boasts a fine strike rate (7-20) and resumed his progression when bagging this race and the Diomed at Epsom in the first half of last season. However, his form subsequently dipped (gelded since final appearance of 2025) and, though dangerous to fully discount, he looks vulnerable this time round.

5 4 PRAGUE (IRE) (168) (C) 92

0/5455405- 6 9-2 | 58.1kg

Dylan Cunha

Jack Gilligan

Produced a really smart effort when winning the Group 2 Joel Stakes on soft ground here in September 2024. However, he didn't get close to reproducing that level of form in 7 starts last season and now finds himself with a bit to prove. Has undergone a breathing operation.

6 2 SKUKUZA (17) (C) 96

119343-45 5 9-2 | 58.1kg

Ed Dunlop

Ryan Moore

Off the mark in 1m handicap here in 2024 and progressed with back-to-back victories at the Curragh last season, latterly landing a listed race. Has performed with credit both starts this year and likely to give another good account with Ryan Moore (2-4 under him) back in the hot-seat.

6 DECLARED RUNNERS

BETTING FORECAST:

7-4 Damysus, **10-3** Boiling Point, **5-1** Skukuza, **7-1** Persica, **17-2** King's Gambit, **20-1** Prague

TIMEFORM VIEW:

Aside from a heavy defeat in the Derby, DAMYSUS enjoyed a progressive 3-y-o campaign and hopes can be high that he will kick on again this season. He gets the nod ahead of Cambridgeshire hero Boiling Point and the consistent Skukuza. Last year's winner Persica would be a danger to all if on-song but he needs to get back on track following a rather subdued end to 2025.

1 2 ACT OF KINDNESS (187) (CD) 83
31- 3 9-2 | 58.1kg

 **Charlie Appleby** *William Buick*
Excellent pedigree (cost 3,700,000 gns as a yearling) and built on the considerable promise of her debut when landing the odds in 11-runner maiden over this C&D in October, just needing to be kept up to work. Has the makings of a useful 3-y-o.

2 6 AMERICA QUEEN (IRE) (200) 96
124- 3 9-2 | 58.1kg

 **Richard Hughes** *Rossa Ryan*
Won a Haydock maiden by 12 lengths on debut and confirmed that promise upped in grade both subsequent outings, shaping as if a step up to 7f will suit when fourth of 9 to True Love (recent Group 3 winner) in the Cheveley Park at this course in September.

3 4 ASMERALDA (IRE) (126) (D) 72
1- 3 9-2 | 58.1kg

 **John & Thady Gosden** *Oisin Murphy*
€640,000 yearling who made plenty of appeal of appeal and scored with something to spare in 9-runner novice at Kempton on debut in December. That form leaves her with something find, but she's got potential for yard who won this race last year.

4 3 AWAKEN (IRE) (201) 90
22194- 3 9-2 | 58.1kg

 **George Boughey** *Tom Marquand*
Fine runner-up effort in the Albany at Royal Ascot before landing the odds with the minimum of fuss at Leicester. Soft ground probably against her at Salisbury and bounced back with a good fourth of 10 in the Rockfel over this C&D in September.

5 12 AZLEET (166) 88
2211042- 3 9-2 | 58.1kg

 **Stuart Williams** *Marco Ghiani*
Back-to-back winner last summer, including on nursery debut at this venue. Improved form when making the frame in listed races on final 2 starts of the campaign, meeting trouble in running when second here in October. Raced only at 6f but bred to stay this far.

6 8 BEAUTIFY (IRE) (200) ★ 100
3128- 3 9-2 | 58.1kg

 **Aidan O'Brien, Ireland** *Ryan Moore*
Landed Group 2 at the Curragh on second start, before travelling best when runner-up to stablemate Precise in the Moyglare at the same course next time. Possibly found good to firm ground against her in the Cheveley Park here, so she's not taken lightly on her return.

7 9 CHERRY BAKER (118) 78
62551- 3 9-2 | 58.1kg

 **James Owen** *Cieren Fallon*
Dropped in trip, opened her account at the fifth time of asking in 11-runner novice at Southwell (6f) in December, beating the odds-on favourite by 4 lengths. Difficult ask as she goes back up in distance.

8 5 FITZELLA (200) 92
214125- 3 9-2 | 58.1kg

 **Hugo Palmer** *James Doyle*
Haydock maiden winner who confirmed the promise of her fourth in the Albany at Royal Ascot when making all in the Princess Margaret Stakes back at Ascot. Gave a good account upped further in grade final 2 outings, fifth of 9 in the Cheveley Park at this course.

9 11 GOLDEN PALACE (166) 86
11765- 3 9-2 | 58.1kg

 **Richard & Peter Fahey** *David Egan*
Successful in novices at Beverley and York on first 2 starts but found things tougher campaigned at a higher level the remainder of the season, fifth of 19 in listed race at this course when last seen in October.

10 1 HARLEQUIN BREEZE (IRE) (165) 83
952- 3 9-2 | 58.1kg

 **Jane Chapple-Hyam** *Hollie Doyle*
All 3 starts at this venue and has progressed with each race, sticking to her task when a close second in 11-runner novice over C&D in November. Has work to do at this level, though.

11 10 INIS MOR (FR) (193) (D) 92
112- 3 9-2 | 58.1kg

 **David Menuisier** *Sean Levey*
Looked potentially smart when winning novices at this venue on her first 2 starts in August last year, before shaping well in defeat when runner-up in valuable sales race at Longchamp in October. Major player with the likely strong pace here promising to suit.

12 7 MUBASIMAH (IRE) (187) (CD) 93
12- 3 9-2 | 58.1kg

 **Andrew Balding** *Rob Hornby*
Clued up on debut when making all in a C&D maiden (Act of Kindness in third) in September and much improved form when second in Oh So Sharp Stakes here 13 days later, denied by only a neck. Can make another bold bid with further progress to come on return.

13 13 SILENCIOSA (IRE) (117) (D) 72
1- 3 9-2 | 58.1kg

 **Tom Clover** *Jack Mitchell*
Attracted support in the betting and made a winning debut in taking fashion in 14-runner novice at Southwell in December, scoring readily despite coming from off a modest pace. Much more required in this contest.

13 DECLARED RUNNERS

BETTING FORECAST:

7-2 Act of Kindness, 5-1 Beautify, 11-2 Mubasimah, 11-2 Inis Mor, 10-1 America Queen, 14-1 Awaken, 16-1 Asmeralda, 18-1 Fitzella, 28-1 Golden Palace, 40-1 bar

TIMEFORM VIEW:

Preference is for INIS MOR, who showed improved form when runner-up at Longchamp in October despite losing her unbeaten record. She remains capable of better this year and gets the vote ahead of Act of Kindness, who has looked very promising in her 2 starts over C&D, with Beautify also respected for Aidan O'Brien.

2 6 BINT ARCHARGE (IRE) 97

2 9-2 | 58.1kg

 Richard Hughes **Ryan Moore**
Foaled March 5. €45,000 yearling, Ubettabelieveit filly. Half-sister to several winners, including useful winner up to 7f Forefront and winner up to 1¼m Taritino. Dam, 2-y-o 5.5f-7.5f winner. Stable saddled a 2-y-o winner last week and booking of Moore very much catches the eye.

3 8 CALL ME TOMORROW (IRE) 94

2 9-2 | 58.1kg

 Richard Hannon **Sean Levey**
Foaled April 15. 60,000 gns yearling, Minzaal filly. Dam, 5.7f/6f winner, half-sister to winner up to 1¼m Micro Manage and winner up to 1m Magnanimous (both smart). Interesting newcomer for in-form stable who took this race 12 months ago.

4 1 HAVANA LIGHTNING 99

2 9-2 | 58.1kg

 George Boughey **William Buick**
Foaled February 12. 110,000 gns foal, Havana Grey filly. Dam, 5f winner, sister to high-class 6f winner The Tin Man and half-sister to top-class winner up to 6f Deacon Blues. Ticks plenty of boxes on paper with William Buick an eye-catching booking.

5 5 JAZZ QUEEN (IRE) 100

2 9-2 | 58.1kg

 Hugo Palmer **Oisin Murphy**
Foaled April 1. €210,000 yearling, Too Darn Hot filly. Dam, placed at 5f/6f, half-sister to very smart 5f (Nunthorpe Stakes) winner Winter Power. One to note on debut for stable who landed this in 2024.

6 3 LADY JEMIMA 92

2 9-2 | 58.1kg

 James Owen **Luke Morris**
Foaled April 1. St Mark's Basilica filly. Dam, 2-y-o 6f winner who barely stayed 1m, won Prix Morny and second in Irish 1000 Guineas. Another who commands a close market check ahead of debut.

7 7 MAGIC EFFORT 90

 Ismail Mohammed **Benoit de la Sayette**
Foaled March 30. Good Effort filly. Half-sister to 2-y-o 5f winner Share The Profits. Dam 2-y-o 5f winner. Betting can point the way on debut.

TIMEFORM VIEW:

A host of well-bred newcomers on show. JAZZ QUEEN, Havana Lightning and Lady Jemima are a trio of them and selected in that order of preference before the benefit of market clues. Call Me Tomorrow is another to note for last year's winning stable.

RACE 6

Going: **Good**

The Cesarewitch course is two and a half miles long, with a single right-handed turn at halfway, creating a ten-furlong straight course, the longest in the country. A wide, galloping track with an uphill finish that is ideal for the big, long-striding horse, except for the descent into the Dip where those types can become unbalanced. Ability to see out the trip thoroughly is essential, and those that commit for home too early can be caught out by the uphill run to the line.

Draw: **N/A** Pace Information: **Very Weak**

1 8 CAPICHERA (IRE) (132) 93

42- **3 9-2** | 58.1kg
 Ed Walker *Kieran Shoemark*
 Took a step forward from her promising debut here when finding just smart prospect Symbol of Majesty too good at Chelmsford (1m), staying on well. Will go on improving this year.

2 2 DARZAH

3 9-2 | 58.1kg
 William Haggas *Tom Marquand*
 375,000 gns yearling, Dubawi filly. Dam 7f-9.4f winner, second in Rockfel Stakes, Balanchine Stakes and Cape Verdi Stakes. Of obvious interest on debut.

3 6 LADY FIZZ h

3 9-2 | 58.1kg
 Des Donovan *Hollie Doyle*
 Expert Eye filly. Dam 1¼m winner. Wears hood. Thrown in at the deep end on debut.

4 7 LYRICS OF LIFE (177) (BF) 100

5225- **3 9-2** | 58.1kg
 Brian Meehan *Rossa Ryan*
 Well-bred filly who ran to a fairly useful standard at 2 yrs, including when second over 1m here on the July Course and at Haydock. Not seen to best effect in Deauville Group 3 final start and will surely find races this season, not least when upped to 1¼m+.

5 5 SILVER LAKE (165) 76

7- **3 9-2** | 58.1kg
 William Haggas *James Doyle*
 420,000 gns Night of Thunder filly. Half-sister to winner up to 11f Trad Jazz. 16/1, very green but had shown a bit of ability by the finish in 7f novice here in November. Should do better this year.

6 4 SO REGAL (139) (BF) 96

3- **3 9-2** | 58.1kg
 John & Thady Gosden *Ryan Moore*
 Kingman filly. Sister to 7f winner Inherit and smart winner up to 7f Chancellor. Dam winner up to 1¼m (stayed 1½m), including Breeders' Cup Filly and Mare Turf. Strong in the betting and produced a promising first effort in 7f Chelmsford fillies' maiden in November. Sure to progress.

7 3 STAR OF HOPE (IRE)

3 9-2 | 58.1kg
 Charlie Appleby *William Buick*
 2,900,000 gns yearling, Dark Angel filly. Sister to high-class winner up to 1m Charyn, won Queen Anne Stakes, Queen Elizabeth II Stakes and Prix Jacques le Marois. Dam 5f winner. Top trainer has won this a couple of times in recent years with newcomers. Got to be of firm interest.

8 1 SUMMER IN PARIS (169) t 85

45- **3 9-2** | 58.1kg
 James Owen *Cieren Fallon*
 Fair form in course maiden/all-weather novice at 2 yrs and can do better this season, probably when handicapping. Tongue tie on for reappearance.

BETTING FORECAST:

11-4 So Regal, **10-3** Lyrics of Life, **7-2** Star of Hope, **6-1** Capichera, **9-1** Darzah, **25-1** Silver Lake, **50-1** bar

TIMEFORM VIEW:

Plenty of appealing fillies with SO REGAL taken to build on her promising start at Chelmsford and open her account. She made up a ton of ground there, likely to have won with a better position, and looks useful. Charlie Appleby has won this a couple of times in recent years with newcomers and 2.9m yearling Star of Hope leaps off the page. Capichera and Lyrics of Life should be winning before long too.

TIMEFORM 1-2-3:

1. SO REGAL 2. STAR OF HOPE 3. CAPICHERA

1 4 EVANESCO (193) 91

52617- 3 9-11 | 62.1kg

 Charlie Johnston *David Egan*

Right back on track when defeating a pair of next-time-out winners at Salisbury (1m) in September. Not disgraced back up in grade when mid-field at Longchamp on final start in October and he's not discounted now making handicap debut on return.

2 1 ORATORICAL (155) 91

2316- 3 9-9 | 61.2kg

 David Loughnane *William Buick*

Well served by the increased emphasis on stamina when opening his account in clearcut fashion on third start at Nottingham (8.3f, heavy) in October. Never landed a blow in listed company on final start but this more suitable up in trip and William Buick an eye-catching booking.

3 3 TAILGUNNER JOE (USA) (33) 92

67-056166 3 9-8 | 60.8kg

 Dylan Cunha *Sean Levey*

Kept busy in Meydan since the turn of the year, landing a big field 1m handicap in February. Subsequent sixth over 9f there last month was another solid effort and fitness edge over most a definite plus.

4 8 ARCHERS BAY (IRE) (130) 87

8431- 3 9-7 | 60.3kg

 Marco Botti  *Marco Ghiani*

Stepped up with each run for Aidan O'Brien and displayed a good attitude in change of headgear (switched yards 30,000 gns) when winning from the front at Wolverhampton (9.5f) in December. Assessor looks to have taken no chances with opening mark now handicapping, however.

5 2 HIGH STORM (18) (D) 93

34-21 3 9-4 | 59.0kg

 K. R. Burke *Clifford Lee*

Bred to be useful over middle distances and he's improved each run to date, building on his Southwell reappearance when landing 9-runner Doncaster maiden (1¼m) 18 days ago. Feasible to think he could do better again now handicapping for top stable.

6 6 THE JOKER (FR) (166) 88

3429- 3 8-13 | 56.7kg

 Jane Chapple-Hyam *Rossa Ryan*

Zarak colt who showed something like debut form when second in a Sandown maiden (7f, soft) in August. Well below best in 7f novice here on final outing but very much bred to be suited by this increase in trip, so interesting if there's confidence behind him in the betting now handicapping.

7 7 RANGA TANG (158) 100

542- 3 8-13 | 56.7kg

 James Owen *Luke Morris*

Lope de Vega colt who improved with each run as a 2-y-o, headed near line when second in novice at Wolverhampton (8.6f) in November. Goes handicapping from what looks a good opening mark and this increase in trip promises to suit. Interesting with first-time cheekpieces fitted.

8 9 WATERFORD CASTLE (IRE) (23) (BF) 96

376-22 3 8-13 | 56.7kg

 George Boughey *Tom Marquand*

Son of Sea The Stars who chased home a next-time-out winner on return/stable debut and probably improved a little more when again finding only one too good on handicap debut at Wolverhampton (8.6f) 18 days ago. Fancied to be in the mix again back on turf.

9 5 IMPOSSIBLE MISSION (26) 92

9731-6 3 8-9 | 54.9kg

 John Butler  *Hollie Doyle*

Showed improved form when making a successful handicap debut in 6-runner event at Wolverhampton (9.5f) last November. Not ideally placed and never figured on reappearance at Lingfield last month but that ought to have blown the cobwebs away. Still, this looks even more demanding.

9 DECLARED RUNNERS

BETTING FORECAST:

4-1 High Storm, **11-2** Oratorical, **11-2** Archers Bay, **13-2** Evanescos, **7-1** Waterford Castle, **15-2** Ranga Tang, **11-1** Tailgunner Joe, **14-1** The Joker, **28-1** Impossible Mission

TIMEFORM VIEW:

RANGA TANG improved with each run as a 2-y-o, posting a good second in a Wolverhampton novice when last seen in November. He goes handicapping up in trip from what looks a workable opening mark and could be the answer equipped with first-time cheekpieces. Waterford Castle and High Storm are a pair with race fitness on their side and may emerge as the chief dangers, ahead of Oratorical.
