**2 Precious Flight** won comfortably from the lead in the last race and looks to be getting better with each race. Could reach the front again and from there she will be difficult to reach. **3 Fame Vendil** had to give up at the end in the last race. Good for this context and one of several who will challenge our pick. **4 Global Emerald** is back after a short break. Hard to predict but should not be discounted. **1 S.G.Felicity** has been improved lately. Barefoot for the first time is interesting.
