## RANK

**6 Sixten R.G.** is our pick in this very tricky cold-blood race. He showed good speed as fourth in the last race and is our close favorite for the lead. **12 Moe Kan** took two wins in a row in April and May but faces a tough handicap here. Hopes for quick pace and can pass many opponents at the end. **2 Tåsjö Teddy** is not bad at all. Finished well last Thursday and is possible if he handles tight starts. **7 Pyseidon** was more heavily backed than our pick last time. Driven this time by Ingvar Nyberg and that is not an advantage. Early choice anyway.

**3 Jean Crowe** is our idea here. Has done well towards the end and showed nice speed after a gallop in the last race. Driven this time by Marcus Lilius and our favorite for the lead. **1 Tolstoi D.E.** faces good conditions and will probably get a nice trip from here. Is quite consistent and good and an early choice with the right run. **8 Global Frenchie** is better than the latest results show. Won easily despite a poor start in April and showed good speed after a big gallop last time. Early choice. **7 Lake's Fire** earned the most money last year. Mistake from the start last time but had scored two good results before that. Now driven by Tanell Säde.

**13 Stjärnmode** took three wins in a row in March and April but then struggled in two starts. If he avoids a mistake this time he should have a good chance despite this handicap. **3 Edes Jänta** is our favorite to take the lead. Driven this time by Ove A Lindqvist and that is interesting. **14 Guli Nicke** sprinted to a close victory in the last race and did well. Henrik Kihle is the driver now. Early choice with the right trip. **2 Ängsjerva** is a stable companion to Edes Jänta and driven by trainer Robert Skoglund. The horse won last time for Ulf Ohlsson. Contender.

**3 Sweet Candyman** has already taken three wins this year and was superior from the lead in the last race. Jill Ivarsson is driving today and she is definitely aiming for the front again. Good chance from there. **10 A Last Chance** was good as second in April and has been locked in on several occasions since then. Is much better than the latest results show and should be considered early. **9 Mon's Daybreak** had a good season last year but his form is a bit of a question mark today. If he lives up to his potential he is an early choice. **4 Kueen Simoni** was second in a bigger race last time and did really well. Does not win often but is possible in this field.
