**4 Nugget Zon** has always been promising but been a bit up and down too. This is an easier task than last time and he has a good chance of leading this throughout. **5 King Of Twilight** won a heat to Sprintermästaren last year. The five-year-old has not raced for over a year but faces the right conditions here. **1 Denco's Galliano** can open fast and has optimal conditions for a nice trip. **3 Orkan Von Haithabu** is starting to get in fine form and likes these conditions.

## RANK

**7 Kung Fu Dot Com** has really been improved as a 4-year-old and is undefeated after two starts this year. In the last race he crushed his opponents and won by a wide margin. **1 Payday Vixi** galloped after 700 meter last time but came back strongly and won from outside the leader. **6 Illyrian** set a new record in the last race - a time that should be good enough in this company too. **3 Leonara D.K.** would have fought for victory without the last gallop. Goop now!

**3 Mumin Mearas** met tough opposition in the last race and was perhaps a bit too experienced. The three-year-old is on the way up and making progress with each race. **8 Greta Jet** has clearly shown the best capacity for this race but was a big disappointment in an E3-heat as a favorite. **4 Phoebe Boko** has nice speed and is good enough to win this. **6 Amy Barosso** has shown good resources and should not be overlooked when making the trip from the Netherlands.

## RANK

**7 Miracle Mile** finished well as fifth in the last V75 race. Returns from a layoff and the training reports are really nice. The five-year-old is a quick starter and should find his way to the front and once there he is the horse to beat. **5 Leading Pace** has been struggling for a while but last time the four-year-old would have been in the fight for victory without a mistake in the final turn. **9 Noor Schermer** was strong in the last race and is very experienced for this class. **6 Breidabliks Corona** is developing well and won comfortably from the front in the last race.

**1 Hokita** put in a very strong effort last time she visited Sweden but was only fourth after that, despite a very nice trip. She has earlier performed well directly after a layoff. **5 Do It Dorothy** is very consistent but can do better than she showed last time in a tough field. The stable is on the way up again after a minor period. **6 My Kind Of Pie** got locked in with energy left in the last race and has been matched in tough companies before. **3 Hattrick DiDamgård** is on the way up.

## RANK

**4 Henessi Joy** has good capacity and strength for this class. Tricky lane but will probably get an offensive trip by Tyler Mifsud. From the lead he has won four out of five and he should be hard to reach over the long distance. **8 Max Eagle F.T.** has shown great strength in home country Norway and is now making a very exciting debut for this trainer. **12 Parameter** is difficult to count on but likes the long distance and owns good strength. **6 Hickory** is well drawn and should be close to top form with a couple of runs under his belt .
