5 Crazy Diamond is our pick with some hesitation in this quite open race. Has done well so far and deserves a win. **6 Hanta Yo** has not won yet either but the first win is coming soon. Was second last time just ahead of our pick. **9 Maksi Princess** was clearly defeated by our top duo second last but won last time and then beat several of today's opponents. **1 Sophie P.** was fourth in the debut despite galloping and should get a good trip with this number.

10 Custom Cheval should have a good chance in this ridden race. He is by far the best in the money and won in this discipline second last.

7 Muscle Love was second behind our our pick last time and is certainly happy with a similar placement here. Run offensively? 9 Marty Hill galloped last in his comeback. Won a ridden race at the end of December on this track. 8 Aroshi has only one win in 52 starts. Is fairly even and can be a place bet.
