1 Tåsjö Teddy finished well from far behind in the last race. He had a couple of really nice performances before that and should have a good chance in this rather weak race. **7 Lill Alf** still hasn't won after 19 starts. However, he comes with two good second places and is driven this time by Mats E Djuse. Our favorite for the lead. **10 Zevs** won with today's driver on today's track in June. Two gallops after that but if he avoids a mistake now he can fight for victory. **5 Guli Selma** has won two out of eight races this year. Returns after a layoff. Could be a contender for a place bet.

3 Funny Guy is probably the best horse. He started with three wins in a row from his debut but galloped in his comeback last time. Should be on the way up. Good chance if he avoids a mistake. **5 Stens Dealer** challenges. Countered to a narrow victory in the last race and is driven again by Mats E Djuse. **2 What A Magic** was unlucky in the last V75 race but faces easier horses this time. Was third in the V75 on today's track in August. **9 Restricted Edition** won five races last year and earned the most money. Has shown good form of late and is the best of those with a handicap.

8 Sjö Kosa has earned the most money this year and is in very good form. She was second in the last big race and is driven again by Mats E Djuse. **9 Sol Bris** is a nice horse, trained and driven by Carl-Ivar Larsson. Is consistent and good and could challenge with the right trip. **4 Tekno Tora** won directly after a layoff in the last race and should be even better now. Driven again by trainer Emma Jonsson. **1 Klockar Eva** took two straight wins this summer. Is fast from the start and should have a good chance to take the lead. Tomas Pettersson is driving now.

1 Viking Lane has a nice task here. He won in the V75 at Boden in June and has done well after that too. Only second as a big favorite last time though and chases revenge. **11 Ajlexes Hans** had a splendid season last year. Has done well this year too and faces somewhat easier opponents this time. Early challenger. **6 Soul Tan** is gifted but has not competed a lot the last couple of seasons and the form is a question mark. Met better horses last time. **4 Danilo S.H.** is quite consistent and good and could be at least a place bet here.
