2 Kumla Fromentro has very good capacity for this class and had scored four wins in a row before the last race when the horse galloped. Not entirely reliable, but if he avoids a mistake he should have top chance. **8 Galaxy Love D.E.** is has perhaps shown the most of the rest. Doesn't win very often, but is quite consistent. **1 Helina** did not impress last time. Perfect lane means a nice position. **5 Goddess Nike** was good as second in the last race but is not reliable either.

2 Havsnymfen had three straight wins before the last start, when she never had a real chance. This time she faces a bit easier opposition. Good chance from a perfect lane. **6 Churchill Face** has returned after a long layoff and started three times. Will soon score a victory and that could happen here. **10 Anna Stina Palema** has met easier horses lately and done really well. Needs a bit of luck along the way. **5 Good Trouble** has good speed but the horse is not reliable all the time.

11 Daddy Pop has done really well under the saddle. Second behind First One Diamond in the last race. Good chance despite a 20 meter handicap. **6 Dubai Kronos** tests to race under the saddle and the horse looked nice in the qualifier. If he is close to his capacity he will win this race, but the horse has been a big disappointment recently. **9 Custom Chrono** has taken all six victories this year – and in this discipline. **2 Romo** uses to put in nice performances under the saddle.

8 Four Guys Dream has been in tough companies all summer. The horse was most recently positive as second behind Icebreaker at Charlottenlund. Going down in class now. **5 Mustang Racer** looked really nice as third last time after a short layoff. Normally quick starter and could challenge our pick. **3 Lady Beluga** has not won since December 2023. With the right journey, she should not be overlooked. **4 Game Brodde** has four runs under his belt after a long layoff.

4 Mr Weasley started his career brilliantly with six wins in the first seven starts. He has shown emerging form lately after a down period and from a good lane and with an American bike he should have top chance. **1 Incitanus Sotto** scored a good win in an easy company in the last race. This longer lap is probably not an advantage. Still in the fight. **12 Djingis Khan** is matched in tough company and despite this number, she has to be considered. **5 Moore** has been competing in the V75 a lot lately. Possible but needs some racing luck.

5 Toscana Southwind had energy left over the finish line last time and looked nice. Drops a bit in class, but you have to remember that this is not a horse that wins very often. Uses to finish fast. **6 Cherokee Face** was poorly drawn in the last race and never got a chance. Could reach the front here. Should not be overlooked. **8 King Only The One** did well as unplaced two starts back but failed in the last race. Going down in class here. **1 Last Joke** will probably not be able to hold the lead from the start but the horse is not that bad. Could cause a surprise with the right journey.
