6 Eigelands Fredrik galloped shortly after the start in the last race but came back strongly to finish third. If he avoids a mistake this time he should have a good chance. 10 S.K.'s Ariel is consistent and good and won without being empty in the last race. Has won eight out of 17 races this year. Early choice. 12 Höstbo Elis has galloped lately. Is more strong than fast and will defeat many opponents here if he avoids a mistake. 2 Sjöli Basse is chasing the third win in a row. Should have a good chance to reach the front here and lead for a long while in that case.

4 Borups Victory resumed from a spell in the last race and made his debut for Svante Båth. Finished 11.5/1000 and was close to win. Our pick. 3 Immanuel K. is consistent and good. Got a tough run outside of the leader in the last race and was brave. Early choice again. 5 Franklin Zet opened fast to the lead in the last race and won comfortable at the end. Will get an offensive start again here and has to be considered. 7 Cool Kronos finished strongly in the last race a bit behind the winner. Outsider here.

3 Mafioso Lynx has scored two wins in a row for the new trainer. Faces tougher opponents now but could reach the front here and lead this throughout. 13 Matadoren Eme is fast enough to win this but this 40 meter handicap is always tricky. Challenger but needs some racing luck. 4 Beauty Super Nova finished fast to a fourth spot in the V75 two starts back. Could get a nice defensive journey now. Should not be discounted. 7 Totte C.D. won comfortably in the lead in the last race. Has two runs under his belt after a pause.
