5 Ängsrask has won very easily lately without being empty. He is very fast behind the gate and has a good chance of finding the lead. From that position he has a good chance of winning. **8 Py Viking** is back after a short layoff. He has a lane on the outside so he will have to do more work than Ängsrask, but he is strong and has a lot of capacity. **1 Norheim Tor** can win the race from this nice lane and should not be completely discounted. **2 Troll Rapp** has scored two good wins in a row.

1 Evens Mayflower has faced poor conditions lately, but now she has a nice number and could go for the lead. Interesting from the front and she gets the tip. **4 Replika** did well from far behind in the last race but never had a real chance. **2 Gracie Rice** has shown good speed for this class. Now she will get a trip in front and has to be considered. **7 Carnivore M.D.** showed good capacity when she won last year.

RACE 6 GS75-3 Auto 2140 RANK

10 Klara Godiva has been unlucky lately and she would have defeated Oaks winner Zeebreeze three races ago without a gallop. Easier this time and normally she should have a good chance. **7 Love And Thunder** has not shown the same speed resources as our pick, but is otherwise good for this company. **7 Miranda Unica** has been doing well for a while and will defeat many opponents here. **8 Calgary Flames** is tricky, but strong.

7 Punchboard galloped fighting for victory in the last race and has previously done well in tough companies. Tricky lane but he can open fast and could get an offensive trip. Might be allowed to take over the lead and from there he has a definitely good chance. **12 Conrads Åke** is used to tougher opposition and should be considered despite this lane. **1 Maserati Hall** is gifted, but finds it hard to hold the lead and needs some luck. **4 Conrads Palle** should be considered too from the lead or the pocket.

8 Griffin Kronos is capable but a bit up and down. He has done well from behind and is both strong and fast. If he avoids a mistake he will be difficult to resist during the final lap. **2 Ultimate Scotch** is better than the results show. Nice post and he is in front straight away, and that is where he prefers to run. **1 Ove Schermer** has the capacity to lead this race from start to finish. **6 Gibson Brodde** might surprise with the right journey.
