RACE 1 — V65-1 — Volt 2300 — RANK

9 Nyheims Mirakles came back well after a gallop two starts back and won from the outside of the leader in the last race. Is in good form and should have a good chance. **11 Millie Ö.K.** has won six of 19 races. Sprinted to victory two starts back and followed well as second in the last race. Needs a bit of luck from here. **12 Pave Jerkeld** is better than the latest results show. Has galloped towards the end but also been interfered. If he avoids a mistake he can surprise. **7 Noravinn** has won three of eight races this year. Took a close win from the lead in the last race. Tricky lane now.

6 Daddy Pop has done really well in the last couple of races without winning. He really deserves a victory and we think he has top chance. Banker. **9 Canopus** had a good season last year and has been quite consistent this year. Sprinted to a nice win in September and is an early contender with a similar effort. **2 G.G. d'Asti** likes this discipline and has got an excellent lane. One of several contenders behind our favorite. **4 Gold Ripasso** was not at his best last time at Östersund in Sweden but had taken several consecutive second places before that. Is good under the saddle.

8 Moni Debbi was superior at this track at the end of August. Second from the lead under the saddle last time but now back in a sulky race. Good chance. **9 Kvåles Tobin** is the main challenger. Comes from two consecutive second places after trips from the pocket. Gets a defensive trip again and can finish sharply. **10 Shiffrin** has done quite well this year without winning. She has been matched in tougher races than this and should not be overlooked. **7 Kangaroo** doesn't win very often but can open quickly and should reach a nice position. Place bet.

7 Ziggy Sioux gets the tip in this mediocre race. He won easily two starts back and comes from a second place. Good form. **10 Diablo Salt** is one of two horses that has won a race. Kept up the pace well as third last time and is good for this company. **1 Noss Boss** was second in the last race and not empty at the end. He is looking for revenge here and can lead this from start to finish. **5 Ares Down** has been heavily backed so far but has not scored a place yet. Can do better. Possible.

2 Voyle Prinsen has won six races this year and shown great form lately. Has an excellent lane and should be considered very early. **4 Dragon Runner** has won from the lead at the end and will probably want go for that position again. He is also in top form. Early challenger. **7 B.B.Pave Flax** is perhaps the best horse. Wins often but was not at his best as fourth last time. Will probably be driven offensively despite this post. **1 Holter Sjur** has won three of nine races this year and been very consistent at the end without winning. A place bet from a perfect lane.

RACE 6 — V65-6 — Volt 2300

6 Speedy Gonzalez was not empty when he galloped last time and would probably have been in the fight otherwise. Was superior two starts back and seems in very good form. Top chance. **2 Lucky Pale Ale** was perhaps not at his best in the last race but had put in consistent and good performances before. Early choice behind our favorite. **1 Twentyfourseven** won two starts back at this track but galloped twice in the last race. Should get a nice trip from here. **5 Trilliondollar Rags** is one of many place bets in this race.
