7 Red Hot Roadster found the lead in the first turn in the last run and won easily. This longer distance is not an advantage but the horse is all-round. 12 Made of Stars was not as good as expected in the last run but he needed that race under his belt. Is good enough to be in the mix here. 6 Bolt Kronos finished alright from third on the outside on the last run but did not impress. One out of many contenders here. 11 Xerava C.D. is on the way up. Could score the first win of this season with the right journey.

5 Clean Table makes his debut for a new trainer. The horse galloped two starts back fighting for victory and has shown good speed for this class. Nice number behind the gate and our pick directly. 2 Love Heuvelland scored a close win after a nice defensive journey on Bergsaker. Could get a similar trip with this number. 4 Betterbegoodtome was closely defeated by Love Heuvelland the last time they met. Should be on the way up. 11 Cameron resumes from a spell. Will defeat many opponents here in case of quick pace.

9 With Wings is our pick in this open race where the richest horses have the trickiest numbers. She finished strongly to victory from fourth on the outside in the last run and seems on the way up. 5 Gino D.E. comes from two wins in a row even if it was a shared victory in the last run. He could find the lead here as well. 3 Pennywise won in the lead on Rättvik two starts back and will certainly go for the front again here. Early contender. 12 Yavapai Point finished well in the last run and showed good form. Should be considered here.
