RANK

5 Uncover Tile has had a bad lane in five straight starts, which has meant a lot of tricky journeys along the way. However, the horse has shown good shape and is matched in tough competition. **2 Metarie** started his career with Mattias Djuse and has competed in nice companies during the season. Won against easy opponents in his debut for Jonathan Bardun. Early contender. **4 Knud** does well most of the time. Interesting with Jepson. **9 Leonardo Silvåkra** scored a nice win in the last race.

9 Hell Of A Guy was really nice in the last race when he won in a 1.15-time at Bergsåker. Is developing well. Early choice. **5 Aniara C.D.** has not been completely reliable at the beginning of her career but shown good speed. Shoes now is a question mark. **7 Zermatt** finished well after a relatively late opening from second on the outside in the last race. The win was taken in a very easy company, but the impression was nice. **6 Coraline** has done well so far.

6 Husar Brick has been in good company most of the time and done well. Showed good shape despite tricky journeys in the last three starts. Excellent chance. **4 Diamond Kronos** failed in the last race and can do much, much better than that. Early choice if improved. **11 Valnes New Love** is strong, but needs some racing luck from this number. **12 Mr Birdman** is starting to find good form and he likes to compete in the winter. Possible in case of over-pace.

11 Five Billion really looks to be something extraordinary and here Björn Goop has something for the present and future. The horse has a really nice style and attitude. Top chance. **1 Fuego Degato** makes his debut for trainer Maria Törnqvist. He hadn't started for a long time before this, but is the one who has shown the best capacity of the rest. **7 Axios** scored two good wins in a row in late spring, but did not race all summer. **8 Krystal Cass** has not started for a long time and got a poor lane. Outsider.

1 Ettore Ross has shown really high peaks, but been a bit up and down. Two runs under his belt after a break should mean that his form is on the way up. The lane could be a trap, the last time he had an inner lane behind the gate, he didn't open fast at all. **9 Lion Mearas** is matched in good company and does well most of the time. Is strong and an early choice regardless of position. **11 Je T'Aime Legacy** has shown fine form and been matched against good horses. **5 Carlos Diamant** faces tougher opposition than when he scored his victories.

5 Spartakus is matched in the V75 and has now a run under his belt after a very long layoff. He is good from all positions, but has shown that he loves to run in the lead. **8 Ultra Violet** was incredibly good during the summer but has perhaps not been as explosive lately. Here she will face easier opposition than she is used to. **3 Global Embargo** is strong and showed during this period last season that he is also good with shoes. **1 O.M.Keep On Runnin** is well drawn. Fast starter.
