**5 Global Goldcard** is unbeaten after two starts and was really good in the last race. Rikard N Skoglund will probably be in the lead after a few hundred meters and then they should have a good chance again. **11 Crazy Good I.D.** did alright as fifth in the last race and had taken three wins in a row before that. It will be interesting to see where Kontio ends up from this lane. **10 Los Del Rio Sisu** was driven by Rikard N Skoglund last time and took his first win in the 20th start. Now Mats E Djuse is the driver. Early choice behind the favorite. **1 Justcantgetenough** has started with four second places in five attempts. Will return after a break but should get a nice trip from here.

**7 Gargamel** is probably the best horse but unfortunately he is very uncertain. Galloped several times in the last race but took two wins in a row before that. Quick starter. Gets an offensive start? **12 B.W.Birger** got a tough first lap last Wednesday but took the lead with 1100 meter from the finish and won easily. He faces nice conditions here and is in good form. Challenger. **10 Vejmo Martin** has been very consistent and good at the end and is an early choice behind our favorite duo. **5 Monster Mohikan** doesn't win very often but was positive as second in the last race and could surprise here with Rikard N Skoglund.

**5 Global Commission** makes an interesting debut for Sibylle Tinter here. The horse has been really good in southern Sweden this year and has to be considered directly with talented Fredrik Plassen. **6 Neon Bank** is really good for this class but unfortunately also very uncertain. He did well in the last race and won outright on today's track. Mats E Djuse could go to the front. **10 Finance Lady Par** has competed the most in Italy and earned the most money this year. Was fourth in the V75 at Bjerke and second in her Swedish debut last time. Driven again by Magnus A Djuse. **1 Nikylon** is a stable companion to Neon Bank and he will probably get a nice inside trip from here. Should not be overlooked but needs a bit of a luck.

**7 Googoo Gone** gets the tip in this quite open race. Has shown very good form towards the end and with the right trip he should have a good chance for Jorma Kontio. **4 Sir Heartbreaker** has also been consistent and good of late and won last time together with today's driver Magnus A Djuse. **5 One Big Bang** won despite a gallop at Åmål in October and has shown good form even after this. Good lane. Early choice. **3 Lion Silver** has only one victory in 18 starts but he is our close favorite for the lead and should not be overlooked together with Mats E Djuse.
