**9 Dear P.G.Gar** got tired in the last race, but that was not surprising as he had not started for six months. Improved now and should have the best chance to win this wide open race. **3 Crazy Cash** has now a run under his belt after a layoff. Good starting position and is one of several horses who can win this race. **2 Mondavi** scored a good win three races ago and with a similar effort here, he will be in the mix. **4 Ekas Wow** had an impossible starting position in the last race and never got a real chance. Better conditions now.

**10 Jericoacoara Frö** has done well of late and comes in fine shape. The filly is the only horse in the field to have won a race and should have a good chance of winning despite this lane. **3 Spirulina** is not that bad and if she reaches the front, she could be the winner. **9 Cash Gambit** is consistent but needs the right trip from behind to win this. **7 Killerqueen** galloped in the last race and was not completely empty at that time. Normally a contender here.

**10 Chocolicious** won straight away in the comeback two races ago and impressed. She has been a scratch twice before this race but if the form is alright, she will be hard to beat. **3 Murena** is the best horse in the first circle and from the lead - where she has taken her only win - she fights well. **11 My Kind Of Pie** uses to put in consistent efforts and the mare would benefit of high pace. **14 Le Roi** gave up at the end in the last race after a fast first lap. Possible.

**11 Maroon Day** has been a scratch after the last race but showed the previous time that he can put in a good performance straight after a break. Top chance despite this lane. **5 Be My Baby** is a quick starter and the favorite for the lead. The mare likes that position and has taken all eight wins there. **4 Based Loaded** will reach a nice position, but is primarily a place bet. **3 Ebullient** prefers to run in the lead but will find it hard to get there.

**2 Mega Occagnes** has a good chance to find an early lead here and in that case he is the horse to beat. **5 Man After Midnight** scored two good wins in October. Hasn't been successful lately, but the six-year-old still looks in good shape. **10 Too Cool Toulouse** is a strong finisher but needs high pace to be able to win this race. **8 Muscle Rex** did well in the last race but has not been successful over the short distance. Hard to win from this starting position.

**11 Old Maid Boko** was not at her best in the last V85 race at Halmstad. The previous time the filly won after a final 13-lap and she should have a good chance of winning despite this starting position. **7 Timoka P.J.** was in great shape this time last year and if she would have found that form again, she is an early contender. **2 Al's Demonic Doll** is a quick starter and undefeated in the lead after two attempts. Leads this race for a long time. **10 Evita A.** makes an interesting first start for a new trainer.
