7 Big Shot got a tough trip outside of the leader in the last run and was really brave. Quick pace is possible and that would be an advantage. Our pick. 3 Isa is a very quick starter. Gave up in the lead in the last V75 race but faces easier opponents here. 1 Rocky Rauk will find it hard to reach the front here even if the driver will give it a try. Is really nice every now and then and should not be overlooked. 8 Burnhill's Luck is possible too in case of quick pace. Magnus A Djuse this time.

Ridden race. 7 **Digital Promise** was pressed and galloped in the lead with 800 meter to go. Scored a couple of nice wins before that and she can open fast. Our pick. 5 **Very Charming** is interesting in this debut under the saddle. Emilia Leo is a really gifted jockey and they should be considered early. 10 **Volcan d'Inverne** comes from a good second spot and is an early choice too behind the top duo. 3 **Garmin B.J.** is a bit up and down but won under the saddle two starts back. Should not be overlooked here.

9 **Ies Juvel** has been racing in the V75 lately where she has not been at her best. Home track now and easier opponents. Our pick. 10 **Ella Pace** has been matched against tough horses too lately. This small field is an advantage for those with a handicap. Early choice too. 1 **Love You Sweden** took over the lead after 600 meter two starts back and won comfortably. Could lead this for a long while if she finds the lead. 4 **Vega Face** has good capacity but this number is tricky. Should not be overlooked without a mistake.

5 Alfie got a tough final 800 meter in the last run and was really brave. Is better drawn this time which could be decisive. 10 Torpa Olea beat our winner in the last run. Back row drawn this time but with a similar effort she is an early choice here as well. 4 Ard was not empty when he galloped on the home stretch in the last run in a tricky situation. Nice number and likes this distance. 8 Bol Brage resumes from a spell. Despite this poor number he should not be overlooked here.

7 Forcement is without any doubt strong enough to win a race like this. He does not always trot perfectly though. Our pick. 14 Joyness had a nice season last year with five victories. Resumes from a spell now but will go around many opponents directly. Early choice. 3 Bold Knick is inexperienced and makes his debut over three laps. Looks strong though and this number is nice. 10 Enjoy's Wifi seems in good form and is possible too with a perfect trip.

2 Twinkle Face got a tough final 600 meter in the last run and did alright. Is well drawn here and faces nice conditions. 11 Balotelli Crown finished last year really well with a victory. Got a short break after that but will go around many opponents here with some racing luck. 9 Findus M. is in great shape. This number suits him well. If he finds an opening in time he has good place chance again. 10 Tzatziki is consistent and good but does not win very often. Could cause an upset here.
