2 Deep Sea Lucky has five wins in a row this year and won very easily in the last race. Is a quick starter and has a top chance of leading this race from start to finish. Banker. **4 Jailhouse Banker** was second behind our favorite in the last race and is aiming for a similar result here. **1 Code Young** is quite consistent and good and has a nice lane here. Could be fighting for a place. **5 Baron Gift** has clearly earned most money but his form is a bit of a question mark. Outsider.

7 Too Young has won half of his races and is coming off two wins in a row. He beat some of today's opponents in the last race and has a good chance again. **4 Venus de Milo** actually beat our favorite in December. Has done well as second lately and is an early choice here. **3 What Time Is It** has been beaten twice in a row by our pick and is of course looking for revenge. Has a good draw. **8 Karlo Vang** took two wins in Denmark last autumn and was third in his comeback last time in the debut for Rune Wiig. Certainly better now but poorly drawn.

4 Fjellkos Brage was heavily backed but galloped directly in the last race. Took a nice win at this track in December and was a good second in the race after that. Good chance. **2 Sjö Sara** has done well so far and is approaching a victory. With the right trip it could definitely come here. **9 Nordsjö Anna** has been quite consistent and good and finished third in the last race despite galloping. Early challenger. **5 Fjellkos Borka** was fourth behind Sjö Sara in the last race. Has a bit of a tricky number but should be considered early on .

2 Erga Svenn was completely outstanding in the last race and won by literally the whole home stretch! After that effort it is actually hard to believe that he will lose a race in the near future. **6 G. Svennen** has good speed but is not reliable at all. If he avoids a mistake he is an early choice. **7 Lye Midnatt** is also fast and took a nice win two races ago. Could be good if he does not gallop. **9 G.L.M. Mije** is in good form and has two wins in a row. He has also one run under his belt now.

5 Great Shadow galloped two starts back but has otherwise been really good in the end. He faces fairly easy opposition here and has a good chance. **3 Viktor C.D.** took five wins last year and beat our favorite in September but has not been at his best of late. Comes back after a layoff and challenges. **8 Lucky I Am** had energy left in the last race and looks in good form. Difficult lane but is possible behind the favorite. **2 Graud Larose** won in his seasonal debut but was clearly defeated behind our favorite in the last race. Place chance.

9 Duiker has done quite well of late and faces much easier horses this time. Should have a good chance despite this draw. Possible banker. **4 Quality Majesty** has four wins in 13 starts. Was close to second in the last race and could be a challenger. **6 Vicious** comes from a second place and can be a place bet again with a similar effort. **5 Herman S.H.** took a surprising win two starts back but gave up from the outside of the leader in the last race. Probably gets a defensive trip here.
