7 Zenit Sunshine gets our pick even though the horse doesn't win very often. She has been very consistent and good at the end and deserves a victory. **8 Sweet Bubbles** actually beats our pick on New Year's Day. She won from the lead but it might not be easy to reach that position from this lane. **5 Thestarofthesun** finished quickly to a third place in the last race and seems in good form. Early choice behind our top duo. **6 Martinique Decoy** was fourth in the last race after a very long layoff. Should be on the way up and is at least an outsider.

2 Frikar is much better than the latest results show but the horse is not reliable at all. Earned the most money last year and if he avoids a mistake, he has a good chance in this rather weak race. **4 Månestjernas Rex** also gallops a lot. Won two out of 13 races last year and that is good for this company. **6 Månestjernas Viktor** is actually a half-brother to the latter horse. He returns after a short layoff and is possible straight away. **5 M.P.Lexus** has also had a break. Is fast from the start and at least an outsider if he finds the lead.

8 Allegra Avanza is our pick in this tricky race. Has been consistent and good and got locked in last time. Poor draw but earned the most money last year. **10 M.H. Harderthancash** is not bad for this company either. Has been quite consistent towards the end and was probably not empty last time. **9 Marengo** faces very nice conditions money-wise but needs some luck from here. Definitely one of the better horses in this race. **7 Fridi** comes from a strong third spot in a bigger race and seems in good form. Should be considered early.

8 Tortilla Tile won straight away in his debut for Kristian Malmin last time and took his first win in the seventh start. Hadn't raced for many months and should be even better now. Good chance despite this number. **2 Milltribute** won straight away after a long layoff two starts back but was not as good in the race after. Can take the lead here. **5 Country Sound** has been very consistent and good so far and is an early choice behind the favorite. **4 Liam** is also quite consistent but mainly a place bet this time.
