4 Terne Pil is our pick in this cold-blood race. He is in top form and comes from a win in a ridden race. He will face tougher opponents now but should have a good chance anyway. **3 Sjöli Fryd** has met better horses lately and is a very early choice in this field. **1 Faks Trym** was third at Östersund last time. Has been consistent and good towards the end and should get a nice trip from here. **5 Skeie Max** is clearly better than the latest results show. Won four out of eleven races last year but his form is now a bit of a question mark.

6 Valle Kodin is undefeated after four attempts and looks really good for this class. Debut behind the gate here but that shouldn't be a problem. Top chance. Banker. **8 Heike Fra Skaråsen** is not reliable but seems to have quite good speed. Poor lane but early choice behind the favorite. **7 Tverdahls Thor** is not that bad either. Comes from a second place and looks to be in good form. Has to be considered. **1 Husan Teddy** has not won yet but been quite consistent. Will get a good trip here and is a contender for a place bet.

6 No Cash has started well. Won in the debut and has a nice task this time. Normally good chance. **5 La Bella Mia** is a good opponent though, coming from a nice second place. She is an early challenger. **2 Linda Frisco** was third behind La Bella Mia in the last race. She has not won yet after seven race but is at least a place bet. **1 Kelvin Key** was fifth behind La Bella Mia and Linda Frisco in the last race. Will probably get a good journey from here.

2 Noelle B.R. took two wins in a row in November and has done well against quite tough opposition towards the end. Our pick. **6 Mayweather** had a pretty good season last year. Is clearly better than the latest results show and is an early challenger to our winner. **3 Twister Genius** took a sensational win at the end of December and should be considered early here with a similar effort. **7 Balder Face** is good for this company but the form is a question mark. An outsider.

1 Best Vind returns after a layoff. He is much better than the latest results show and has won six of 21 races. Good draw and has to be considered straight away. **3 Bleke Best** is normally a very early choice but it is said that the horse is not fit and he will probably be a scratch. If he starts he is an early choice though. **2 Lyseng Solen** comes from a second place and seems in fine form. Has to be considered in a tricky race. **6 Voyle Lina** was also second in the last race and should not be completely discounted in the fight for victory.

6 S.G. Mistral is a Swedish horse that comes with two straight wins at Umåker. Trainer Oscar Berglund wins when he visits the Orkla track. Jomar Blekkan is driving this time. **4 Grumbazz Kini** is not a bad opponent though. Unplaced in the last race but had shown very good form before that. Has a better lane than the favorite and will challenge. **5 Creek's Nu Love** is one of the better horses in this race but his form is a question mark. An outsider. **7 Golden Dream M.E.** has clearly earned the most money in this race. Was second behind Arc Ici in the last race as a mega favorite and is looking for revenge.
