9 Quarcia finished last year with a poor effort but has otherwise been very consistent and good that season. Nice task in this seasonal debut. Our pick. 3 Heavenly May has only one victory in 31 starts but she would have been in the mix without a mistake in the last V75 race. We think she will soon win again. 2 Ella Pace was really good when she scored a sensational victory in the V75 in the middle of December. Has been a non starter on February 16 and the form is a question mark now. Has good skills. 8 Run a Mile faces tough conditions money-wise but the form is good. Outsider.

6 Staro Onyourmarks has run two races for the new trainer. Started with a good victory and finished really well in the last race too. Good chance. 9 Made by Vitsand makes her debut for a new trainer here. She could get a nice start with this number and has to be considered early. 3 Raja Summer needed the last race after a break. Should be on the way up and won two out of five races last year. Should not be overlooked. 15 Russel Costashorta had to attack early in this seasonal debut and finished to a good fourth spot. Should be followed here.

6 Bäcklös Faron was second in Cold Blood Criterium last year and won the last race of 2020 in a great time. Is working well and our winner here. 5 Eld Tekno won the last race despite an early mistake. Showed 24/1500 and has good speed. Should be on the way up. 4 Oppgårdsdrängen was still fighting for victory when he galloped with 50 meter to go in the last race (Eld Tekno won). Chases revenge here. 3 B.W.Bille galloped twice on Bollnäs but showed good speed in between. He is on the way up.

2 Twigs Honor made it to the Kriteriet final last year. Was really good in the seasonal debut on Mantorp and should be improved by that race. Nice number and our winner. 8 Prince Yoda comes from a very strong victory after a trip outside of the leader. Early contender here too despite this tricky number. 6 Bottnas Explosive had not raced since November 2019 but won directly in the last race. Should be even better now. 1 Jaguar C.Boko is consistent and good. Is well drawn and has good place chance here.

1 On Track Piraten was poorly drawn in the last V75 race but finished really fast a bit behind the winner and showed good form. Easier opponents now and nice number this time. 6 Click Bait resumes from a break. Can open fast and could find the lead here. Will lead this for a long while over the short distance. 7 Queer Fish was not at his best last autumn. Might need this race but has good capacity for this field. 4 Super Zantos is consistent and uses to meet tough opponents. Could be in the mix.

1 Månlykke A.M. won the Swedish Cold Blood Championships two starts back and is interesting in this seasonal debut. Tricky number but top chance directly with the right trip. 5 B.W.Rune would have fought for victory without a mistake with 200 meter to go in the last V75 race. Has shown great form this winter and is a challenger. 2 Guli Rubin finished fast when he found an opening at the end on Romme. Was not empty at the end and is possible here with some racing luck. 10 Bellfaks is consistent and good. Could fight for a place here with the right journey.
