8 Guli Roy has two straight wins and has shown great form this winter. He is all-round and versatile. Has been very successful together with Mats E Djuse. Meets similar opponents here and faces perfect conditions money-wise. 1 Hägern T.H. is consistent but does not win very often. Nice number now and early challenger together with Ohlsson. 6 Tangen Piril has been improved and comes from two nice efforts after a break. Got locked in with energy left in the last race. 7 Forspärla has got a pause. She prefers nice surfaces and should not be overlooked.

6 Balotelli Crown won seven races last year and has been successful since he became more consistent. Has started this year really well and faces easier opponents now. Good chance. 1 Lyckans Star beat good opponents in the front in the last race and Ulf Ohlsson will certainly try to lead this from start to finish too. 11 Fabian B.R. is a bit up and down but really good every now and then. He prefers to run in front and could get a fast start with this number. 2 Jetline needs a nice defensive trip and would prefer quick pace too. Outsider.

6 Albert Zonett has been developing well for new trainer Robert Dunder and is still undefeated when avoiding a mistake. He comes from a great V75 win and likes this long distance. The horse to beat in this seasonal debut. 2 Helix is in great shape and has been fighting well lately. Ove A Lindqvist should suit the horse really well. 4 Flight Deck got defeated after a really nice battle on the home stretch in the last race. Put in a good effort and will be in the mix again here. 1 Arizona Dream won in the debut for a new trainer in the seasonal debut but has not really convinced after that.

12 Conrads Gregor scored a very convincing win two starts back and despite quick pace he fought really well to a comfortable victory. Could get an offensive start with this number and has a good chance without a mistake. 8 Just Celebration is more reliable than his stable companion even if he galloped behind our pick the last time they met. Is in good form and chases revenge here. 1 Fly Bird Fly has got a 20 meter advantage and could be hard to reach. Got locked in with energy left on the inside in the last race. Interesting in the lead. 5 Isiah Boko has been consistent but got too tough journeys lately. Is still in good form.
